THIS SECURITY AND PLEDGE AGREEMENT (as it may from time to time be amended, supplemented, modified, restated or amended and restated, the "Agreement") is dated as of November 1, 2010, between 38 Studios, LLC, a Delaware limited liability company ("Debtor") and Rhode Island Economic Development Corporation ("Secured Party").

RECITALS

A. **Loan Agreement.** Debtor and Secured Party are parties to that certain Loan and Trust Agreement dated as of October 1, 2010 (as it may from time to time be amended, supplemented, modified, restated or amended and restated, the "Loan Agreement"), pursuant to which Secured Party loaned Debtor monies, on the terms, and subject to the conditions, set forth in the Loan Agreement. Capitalized terms used herein without definition shall have the meanings set forth for such terms in the Loan Agreement, as applicable. assignment duly executed by the Debtor and such other instruments or documents as the Secured Party may reasonably request.

4. **Covenants, Representations and Warranties of Debtor.** Debtor covenants with, and represents and warrants to, Secured Party as follows:

4.1. Debtor is a limited liability company, duly organized and validly existing and in good standing under the laws of Delaware; Debtor's organizational identification number is 4211689; and Debtor has full power, authority and legal right, and all requisite governmental licenses, permits and franchises, to own the Collateral and to grant a security interest in all the Collateral.

4.2. The execution and delivery of this Agreement by Debtor, and the grant of the Security Interest, have been duly authorized by all necessary corporate or limited liability company action of Debtor; this Agreement has been validly executed and delivered by Debtor; and this Agreement is the legal, valid and binding obligation of Debtor, enforceable against Debtor in accordance with its terms except as may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights in general and subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

4.3. The provisions of this Agreement are effective to grant to Secured Party a valid security interest in the Collateral securing payment and performance of the Obligations, enforceable against Debtor in all of Debtor's right, title and interest in and to the Collateral, subject to no security interest, copyright mortgage, mortgage, lien, pledge, charge, encumbrance, limitation, restriction, right, claim, license, lease, sale, purchase or assignment of any kind or nature in, to, of or upon any of the Collateral under applicable law other than the Permitted Encumbrances. Except for the Permitted Encumbrances, Debtor has not granted, shall not grant, or suffer to exist, any security interest, copyright mortgage, mortgage, lien, pledge, charge, encumbrance, limitation, restriction, right, claim, license, lease, sale, purchase or assignment of any kind or nature, in, to, of or upon any of the Collateral to any individual, corporation, trust, estate, partnership, joint venture, company, association, league, group, government bureau, agency or subdivision thereof or other entity of whatsoever kind or nature (incorporated or unincorporated) (collectively, "Person"), the effect of which would be to supersede, cause to be subordinated, take priority over, or participate on an even priority with, the Security Interest; and upon the recordation of the Copyright Mortgage and Assignment (as defined herein) in the United States Copyright Office and upon the filing of the Financing Statement (as defined herein) in the filing office of the Secretary of State of the State of Delaware (the "Filing Office"), the Security Interest will be perfected, to the extent a security interest in the Collateral can be perfected by the filing of a financing statement in the Filing Office.

4.4. Debtor shall pay all taxes, assessments and other charges of every kind and nature which may be levied or assessed against the Collateral.

4.5. Debtor shall promptly give written notice to Secured Party (and, upon request, furnish a copy to Secured Party) of any litigation or other proceedings filed or commenced against Debtor or affecting any of the Collateral; provided, however, that any inadvertent failure to provide notice to Secured Party shall not be a breach, to the extent that Debtor provides the required notice to Secured Party within five (5) business days of becoming

aware of such litigation or proceeding or within five (5) business days of any notice to Debtor reminding Debtor of its obligations under this Section 4.5. Debtor shall, at its own expense, appear and defend any and all actions and proceedings affecting any of the Collateral, or otherwise affecting the Security Interest, and shall obtain and furnish to Secured Party from time to time, upon demand, such releases and subordinations of claims and liens, which may be required to maintain the priority of Secured Party's rights and liens hereunder.

4.6. Debtor shall not make any change (i) to its limited liability company name, or (ii) in its jurisdiction of organization, unless (A) Secured Party shall have received from Debtor written notice of such change no later than thirty (30) days prior to the effective date of any such change and (B) prior to the effective date of any such change, Debtor shall have executed and delivered to Secured Party such documents for filing with the United States Copyright Office, and authenticated such financing statements for filing in such filing offices in such jurisdictions, as Secured Party may reasonably deem necessary to preserve the perfection of the Security Interest.

4.7. Debtor shall keep its place of business or, if it has more than one place of business, its chief executive office, and the offices where Debtor keeps its books and records, at the address for Debtor set forth in Section 18.2.2 hereof, or at such other locations of which Secured Party shall have received written notice from Debtor not later than thirty (30) days prior to the effective date of any change to any of such other locations.

4.8. Debtor has had no corporate, partnership, limited liability company or other name, and no trade names, fictitious names, assumed names or "doing business as" names, in the United States or in any other jurisdiction in the past five years other than its current corporate, partnership, limited liability company or other name referenced herein, and shall not have or use any of the same without providing Secured Party with thirty (30) days prior written notice until the Obligations have been paid and performed in full.

4.9. Concurrently with the execution and delivery of this Agreement, Debtor shall deliver to Secured Party evidence of the submission to, and receipt by, the United States Copyright Office of documentation: (i) evidencing the registration of Project Mercury in the name of Mercury Project, LLC; (ii) evidencing the registration of Project Copernicus in the name of Debtor; and (iii) when available, the documentation necessary to register the copyright for the other Projects in the name of Debtor. Debtor, as debtor of record with respect to that certain UCC Financing Statement (the "Financing Statement") consisting of a copy of Exhibit B attached hereto and incorporated herein by this reference to be filed in the Filing Office, hereby authenticates the Financing Statement, and Debtor hereby authorizes the filing of the Financing Statement in the Filing Office, and in such other offices, in such jurisdictions, as Secured Party deems to be appropriate in order to perfect the Security Interest.

4.10. The sale of the Collateral by Secured Party is not prohibited or regulated by any federal or state law or regulation or any agreement binding upon Debtor and requires no registration or filing with, or consent or approval of, any governmental body, regulatory authority or securities exchange.

4.11. The parties agree that upon the occurrence and during the continuance of an Event of Default (as defined herein), and upon delivery of notice by Secured Party (except that if such Event of Default arises under Section 8.2 hereof, no such notice shall be required),

any and all voting or similar rights with respect to any stock, membership interest or other equity interest included in the Collateral shall be exercisable only by Secured Party.

5. **Further Assurances.** Debtor shall from time to time at the request of Secured Party execute, acknowledge, have witnessed or otherwise formalize, and deliver, or cause to be executed, acknowledged, witnessed or otherwise formalized, and delivered, to Secured Party any and all documents and/or instruments, and otherwise take such actions, that Secured Party deems reasonably necessary or appropriate to further perfect, protect, evidence, effectuate, renew, terminate and/or continue the Security Interest. If Debtor fails to execute, acknowledge, have witnessed or otherwise formalize, and deliver any such documents or instruments within ten (10) business days after Secured Party's request therefor, Secured Party may execute, acknowledge, have witnessed or otherwise formalize, and deliver such documents and instruments as Debtor's appointed attorney-in-fact, which appointment for such purposes is hereby made irrevocably and coupled with an interest with full rights of substitution and delegation to execute, acknowledge, have witnessed or otherwise formalize, and deliver, any such documents in the name of Debtor. Secured Party shall promptly furnish to Debtor copies of any documents or instruments executed pursuant to the foregoing power of attorney.

6. **Certain Payments and Actions.** If Debtor fails to make any payment or to take any action that is an Obligation secured hereunder, or fails to make any other payment or take any other action reasonably required under the circumstances to preserve the priority and value of Secured Party's rights under this Agreement, then Secured Party may (but shall not be obligated to) make such payments and take such actions as Secured Party in its reasonable discretion under the circumstances deems necessary to protect the Security Interest in the Collateral, and Secured Party is hereby authorized (without limiting the general nature of the authority hereinabove conferred), if Debtor has so failed to make payment or initiate action within five (5) business days (or such lesser time as Secured Party deems necessary under the circumstances) after Secured Party gives Debtor written notice that such payment or action is required and has not been made or taken, to pay, purchase, contest or compromise any security interest or lien which in Secured Party's reasonable discretion under the circumstances appears to be prior or superior to, or of equal priority with, the Security Interest, or to pay, purchase, contest or compromise any security interest or lien which in Secured Party's reasonable discretion under the circumstances appears to give its holder, or any other Person, any right the exercise of which could adversely affect the priority and/or value of the rights of Secured Party under this Agreement or the Loan Agreement or of the Security Interest.

7. **Duty To Hold In Trust.** Upon the occurrence of any Event of Default (as defined herein), Debtor shall, upon receipt by it of any revenue, income or other sums in which a security interest is granted to Secured Party under this Agreement, or of any check, draft, note, trade acceptance or other instrument evidencing an obligation to pay any such sum, hold the same in trust for Secured Party, in precisely the form received, and shall forthwith endorse, transfer and deliver any such sums or instruments, or both, to Secured Party for application to the satisfaction of the Obligations.

8. **Events of Default.** As used herein, the term "Event of Default" shall mean the occurrence of any of the following events:

8.1. Debtor shall fail to pay or perform any Obligation in a due and timely manner, or any of the representations and warranties of Debtor set forth in the Loan Agreement or in this Agreement shall have been false when made or deemed made.

8.2. Debtor shall terminate, disaffirm, reject or repudiate, or attempt to terminate, disaffirm; reject or repudiate the Loan Agreement or its obligations thereunder, or this Agreement or its obligations hereunder.

8.3. (i) Debtor is the subject of an order for relief or any other order under any bankruptcy, reorganization, receivership, liquidation, insolvency, compromise, arrangement or moratorium statute, law or regulation, whether now in force or hereafter enacted, or (ii) any action of any nature whatsoever (whether voluntary or involuntary) is taken for Debtor's relief under any bankruptcy, reorganization, receivership, liquidation, insolvency, compromise, arrangement or moratorium statute, law or regulation, whether now in force or hereafter enacted (which if involuntary is not dismissed within sixty (60) calendar days from the date such action is commenced), or (iii) any assignment is made for the benefit of the creditors of Debtor, or (iv) any petition (whether voluntary or involuntary) is made or filed for the appointment of a receiver, liquidator, trustee or custodian for any of the assets of Debtor (which if involuntary is not dismissed within sixty [60] calendar days), or if any receiver, liquidator, trustee or custodian for any of the assets of Debtor is appointed, and such petition or such receiver, liquidator, trustee or custodian is not withdrawn or discharged within sixty (60) calendar days from the date of filing, making or appointment, or (v) the Collateral or any portion thereof in which Debtor has any interest is attached or levied upon and such attachment or levy is not released within sixty (60) calendar days thereafter, or (vi) Debtor becomes unable to pay its debts as they become due, or (vii) Debtor is dissolved or its business is substantially terminated for any reason whatsoever.

9. Rights and Remedies Upon Event of Default. Upon the occurrence of any Event of Default, Secured Party shall have all of the rights and remedies of a secured party under the Rhode Island UCC, and all other rights and remedies under all other applicable laws, and, without limiting the generality of the foregoing, Secured Party may in its sole discretion:

9.1. Enter upon the premises where any of the Collateral may be, and take possession of the Collateral, and may demand and receive such possession from any Person who has possession thereof, and Secured Party may take such measures as it may deem reasonably necessary or proper for the care or protection thereof, including the right to remove, keep and/or store all or any portion of the Collateral or put a custodian in charge thereof; and/or

9.2. With or without taking possession, sell, lease, license, or otherwise dispose of, at any time, and from time to time, as Secured Party may determine, any or all of the Collateral, in its present condition or following any commercially reasonable preparation or processing, in its entirety or in parcels, either at public or private disposition, at such price and on such terms as Secured Party may deem best. Secured Party may be the purchaser, lessee, licensee or acquiror of any or all of the Collateral at any such disposition and shall be entitled, for the purpose of bidding and making settlement or payment of the price for all or any portion of the Collateral disposed of at any such disposition, to use and apply any of the Obligations as a credit on account of the price of any Collateral payable by Secured Party at such disposition. Debtor shall not have any right of redemption subsequent to any such disposition or Secured Party's entering into a contract for any such disposition, and Debtor hereby expressly waives any such right; and/or

9.3. Institute any proceeding at law, in equity, or otherwise for the foreclosure of the Collateral or any part thereof. To the extent permitted by law, any disposition thereof shall be held in the same manner, with the same effect and subject to the same terms and conditions as specified in Section 9.2 hereof. Secured Party may, in its sole discretion, from time to time, at any time and in any order, choose to institute a proceeding for foreclosure on some portion of the Collateral and a disposition under Section 9.2 hereof on other portions of the Collateral, without being deemed to have made an election of remedies or to have waived any other rights or remedies, and without in any other way limiting any rights or remedies which it may otherwise have; and/or

9.4. In its name or in the name of Debtor, or otherwise, demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for or make any compromise or settlement deemed desirable with respect to, any of the Collateral, but shall be under no obligation to do so, and Secured Party may extend the time of payment, arrange for payment in installments, or otherwise modify the terms of, or release, any of the Collateral, without thereby incurring responsibility to, or discharging or otherwise affecting any liability of, Debtor; and/or

9.5. Petition any court for the appointment of a receiver for any part of or all of the Collateral, for the purpose of preserving, protecting and retaining the Collateral and the value of the Collateral, and for the purpose of facilitating Secured Party's exercise of any other of Secured Party's rights and remedies under this Agreement, the Rhode Island UCC and/or any other applicable law.

9.6. Debtor hereby acknowledges and agrees that:

9.6.1 Secured Party may be unable to sell certain Collateral publicly without registering such Collateral under the Securities Act of 1933, as it may be amended from time to time (the "Securities Act") and applicable state securities laws (the Securities Act and such applicable state securities laws are collectively referred to herein as the "Securities Laws"), which would likely be an expensive and time-consuming undertaking and, in fact, one which might be impossible to accomplish even if Secured Party were willing to invest the necessary time and money. Secured Party may be able to register such Collateral under the Securities Laws but may regard such registration as too expensive or too time-consuming. If Secured Party sells Collateral without registration, Secured Party may be required to sell such Collateral only in private sales to a restricted group of offerees and purchasers who fulfill certain suitability standards and who will be obligated to agree, among other things, to acquire such Collateral for their own account for investment and not with a view to distributing or reselling such Collateral. Such a private sale may result in less favorable prices and other terms than a public sale. Debtor recognizes and acknowledges these realities. Debtor agrees that a private sale, even under these restrictive conditions, will be considered commercially reasonable notwithstanding that Secured Party has not registered or sought to register such Collateral under the Securities Laws, even if Debtor agrees to pay all costs of the registration process.

9.6.2 Debtor is aware that Section 6A-9-610(c) of the Rhode Island UCC states that Secured Party is able to purchase Collateral only if it is sold at a public sale or meets certain other conditions. Debtor is also aware that staff personnel of the United States Securities and Exchange Commission ("SEC") have, over a period of years, issued various No-Action Letters (the "No-Action Letters") that describe procedures which, in the view of the SEC staff,

permit a foreclosure sale of securities to occur in a manner that is public for purposes of the provisions of Article 9 of the UCC governing the rights and remedies of a secured party after default, yet not public for purposes of Section 4(2) of the Securities Act. Debtor is also aware that Secured Party may wish to purchase Collateral that is sold at a foreclosure sale, and Debtor believes that such purchases would be appropriate in circumstances in which Collateral is sold in conformity with the principles set forth in the No-Action Letters. Section 6A-9-601 of the UCC permits Debtor to agree on the standards for determining whether Secured Party has complied with its obligations under Section 6A-9-610(c) of the UCC. Pursuant to Section 6A-9-601 of the UCC, Debtor specifically agrees that a foreclosure sale conducted in conformity with the principles set forth in the No-Action Letters (a) shall be considered a "public" sale for purposes of Section 6A-9-610(c) of the UCC; (b) will be considered commercially reasonable notwithstanding that Secured Party has not registered or sought to register such Collateral as is sold in any such foreclosure sale under the Securities Laws, even if Debtor agrees to pay all costs of the registration process; and (c) shall be considered to be commercially reasonable notwithstanding that Secured Party purchased Collateral at such a sale.

9.6.3 Debtor agrees that Secured Party shall not have any general duty or obligation to make any effort to obtain or pay any particular price for any Collateral sold by Secured Party pursuant to this Agreement (including sales made to Secured Party). Secured Party may, in its discretion, among other things, accept the first offer received, or decide to approach or not to approach any potential purchasers.

9.6.4 Debtor shall use all reasonable efforts to do or cause to be done all such other acts and things (except that Debtor shall not be obligated to register any Collateral under the Securities Laws) as may be reasonably necessary to make any sale or sales of Collateral valid and binding and in compliance with applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, domestic or foreign, having jurisdiction over any such sale or sales, all at Debtor's expense.

9.6.5 Debtor agrees that a breach of any of the covenants contained in this Section 9.6 shall cause irreparable injury to Secured Party, and that Secured Party will have no adequate remedy at law in respect of such breach. As a consequence, Debtor agrees that each and every covenant contained in this Section 9.6 shall be specifically enforceable against Debtor, and, to the extent permitted by applicable law, Debtor waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that an Event of Default has not occurred hereunder.

10. Security Interest Remains in Full Force and Effect. All rights of Secured Party hereunder, the Security Interest, and all of the Obligations, shall be and remain in full force and effect irrespective of any change in the time, manner or place of payment or performance of, or in any other term of, all or any of the Obligations or any obligation the failure of performance of which is an Event of Default hereunder, or any other amendment or waiver of or any consent to any departure from the Loan Agreement, until such time, if any, as the Termination Date (as defined herein) shall have occurred.

11. Loan Agreement. Debtor acknowledges and agrees that, Secured Party may informally agree with Debtor and/or any of Debtor's subsidiaries or affiliates, or any other Person, to vary their performance under the Loan Agreement from the express provisions of the

Loan Agreement; Secured Party may from time to time waive or excuse various conditions to its obligations under the Loan Agreement; Secured Party may from time to time waive or excuse various breaches or defaults by Debtor and/or any of Debtor's subsidiaries or affiliates, or any other Person, under the Loan Agreement or otherwise; and Secured Party may refrain from enforcing any or all of its rights or remedies from time to time available to it under the Loan Agreement; and as a result of any or all of the foregoing, any rights of Debtor in the nature of subrogation or other claims against any other debtor upon or following any exercise by Secured Party of any of its rights or remedies hereunder, may be unavailable to Debtor, or may have been destroyed, or may otherwise be impaired, diminished or curtailed. Debtor expressly waives and agrees not to assert any claim, defense and/or excuse, and expressly waives and agrees not to assert any right or claim of offset, setoff, reduction, modification or exoneration of or against the Security Interest, based upon any event or matter described in the preceding sentence, or any other event or matter, whether similar or dissimilar to any of the events or matters described in the preceding sentence, upon which Debtor might otherwise base any such claim, defense, or excuse, or right of offset, setoff, reduction, modification or exoneration. Without limiting the generality of the foregoing, Debtor hereby expressly waives (a) notice of the acceptance of this Agreement by any Person, (b) notice of the Obligations now existing or which may hereafter exist or be created, (c) notice of any adverse change in the financial condition of Debtor or of any other fact that might increase Debtor's risk hereunder, and (d) notice of demand for payment or performance, or notice of default or nonpayment or nonperformance, under the Loan Agreement or otherwise in respect of any of the Obligations.

12. No Extinguishment, Release, Mitigation, Diminishment or Reduction of any Claim. Neither Secured Party's acceptance of this Agreement and the Security Interest, nor any exercise by Secured Party of any of its rights hereunder, shall extinguish, release, mitigate, diminish or reduce in any manner whatsoever any claim, cause of action or other right or remedy Secured Party has, claims, or may at the date hereof or hereafter have or claim, against Debtor or any other Person, whether arising out of the Loan Agreement, or any alleged breach of the Loan Agreement, or otherwise.

13. Duties of Secured Party; Debtor Remains Liable. The powers conferred on Secured Party hereunder are solely to protect its interests in the Collateral and shall not impose any duty upon it to exercise any such powers. Provided that Secured Party complies with its obligations, if any, under Rhode Island UCC Section 6A-9-207, Secured Party shall not otherwise be liable or responsible in any way or manner for (a) the safekeeping of any of the Collateral; (b) any loss or damage thereto occurring or arising in any manner or fashion or from any cause; (c) any diminution in the value thereof; or (d) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person whomsoever. Anything contained herein to the contrary notwithstanding, (x) Debtor shall remain liable under any contracts and agreements included in the Collateral, to the extent set forth therein, to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (y) the exercise by Secured Party of any of its rights hereunder shall not release Debtor from any of its duties or obligations under the contracts and agreements included in the Collateral, and (z) Secured Party shall not have any obligation or liability under any contracts, licenses, and agreements included in the Collateral by reason of this Agreement, nor shall Secured Party be obligated to perform any of the obligations or duties of Debtor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

14. Damages; Expenses. Debtor shall pay to Secured Party (a) the amounts of all damages incurred by Secured Party arising out of the breach of any of the Obligations or the failure of any representation or warranty under the Loan Agreement or hereunder; and (b) all fees, costs and expenses of any nature whatsoever, including reasonable outside attorneys' fees, of or arising out of the enforcement of any provisions of this Agreement after the occurrence of an Event of Default hereunder. Debtor agrees to indemnify Secured Party from and against any and all claims, losses and liabilities in any way relating to, arising out of or resulting from this Agreement and the transactions contemplated hereby (including, without limitation, enforcement of this Agreement), except to the extent such claims, losses or liabilities result solely from Secured Party's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction. Secured Party shall pay to Debtor all fees, costs and expenses of any nature whatsoever, including reasonable outside attorneys' fees, of or arising out of Secured Party's gross negligence or willful misconduct hereunder. Secured Party agrees to indemnify Debtor from and against any and all claims, losses and liabilities in any way relating to, arising out of or resulting from Secured Party's material breach of this Agreement and for Secured Party's gross negligence or willful misconduct hereunder. The obligations of Debtor in this Section 13 shall survive the termination of this Agreement and the discharge of Debtor's other obligations under this Agreement and/or the Loan Agreement.

15. No Delay. No delay on the part of Secured Party in exercising any power or right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any power or right hereunder preclude other or further exercise thereof or the exercise of any other power or right.

16. Continuing Assignment and Security Interest; Partial Release; Termination. This Agreement shall create a continuing assignment of and security interest in all of the Collateral, and shall remain in full force and effect until the payment and performance in full of all of the Obligations (the "Termination Date"). Upon the occurrence of the Termination Date, the Security Interest in all the Collateral shall automatically terminate, whereupon Secured Party shall promptly execute such documents and instruments as Debtor shall reasonably require to evidence such termination, at Debtor's sole cost and expense.

17. Storage of Project Elements. Secured Party and Debtor have agreed that Debtor will serve as custodian of all physical property, including back-up storage of all electronic and digital data relating to the development and production of the Projects (the "Project Elements"). Debtor accepts that appointment and agrees to hold all of the Project Elements as custodian for Secured Party subject to the terms and conditions of this Section 17. Unless Secured Party has agreed otherwise in writing, Debtor will (a) at all times keep all the Project Elements in its actual or constructive possession and control at its facilities located [in Timonium, Maryland], and (b) not deliver any of those Project Elements to anyone. Debtor will maintain all Project Elements that are in its possession or control in the condition received, or manufactured, as applicable, normal wear and tear excepted. Debtor will neither look to Secured Party nor assert any claim or lien against Secured Party, the Projects, or the Project Elements by reason of: (i) any work, labor, material, or services which Debtor has performed for or furnished to or may, in the future, perform for or furnish to any other party; or (ii) any other claim or cause of action that Debtor may have against any other party. Debtor will not refuse to honor any of Secured Party's orders or instructions with respect to the Project Elements by reason of any unpaid charges incurred by its respective designees, or others, or for any other reason. Secured Party has a first priority

(except that certain of the Collateral may be subject to a prior security interest constituting a Permitted Encumbrance hereunder), perfected, security interest in and to the Projects. Therefore, if Debtor receives a notice from Secured Party stating that it is exercising exclusive control of the Projects (the "Notice of Exclusive Control") (which Notice of Exclusive Control may only be given after the occurrence, and during the continuation, of an "Event of Default" [as such term is defined in the Loan Agreement]), then at all times thereafter (unless Debtor is prevented from doing so pursuant to the terms of a conflicting court order or pursuant to the terms of Paragraph 17 of that certain Security and Pledge Agreement, dated as of December 11, 2009, between 38 Studios Baltimore, LLC "Project Mercury" or any intercreditor agreement entered into between Secured Party and any other secured party which is the beneficiary of a Permitted Encumbrance) Debtor shall (i) hold all of the Project Elements as pledgeholder and as agent for Secured Party; (ii) neither accept nor comply with any order of any other person, or permit any other person to remove or have access to any of the Project Elements; and (iii) comply with all instructions, orders, and directions of Secured Party regarding the disposition of the Project Elements without further consent or direction from any other person and without regard to any inconsistent or conflicting instructions given to Debtor by any other person. Secured Party's rights with respect to access to the Project Elements hereunder shall terminate only upon the indefeasible satisfaction of all obligations of Debtor under the Loan Agreement (a "Secured Party Payment Notice").

18. General.

18.1. Governing Law, and Remedies.
