**PAR. 6. BUDGET**

Total payment for services to be provided under this Agreement shall not exceed the total budget as detailed in **ADDENDUM II**. The Contractor will complete and forward narrative, fiscal, and all other reports per **ADDENDUM III - PAYMENTS AND REPORTS SCHEDULE**.

**PAR. 8. TERMINATION AND/OR DEFAULT OF AGREEMENT**

This Agreement shall be subject to termination under any of the following conditions:

- a) Mutual Agreement  
The contracting parties mutually agree in writing to termination.
- b) Default by Contractor  
The Department may, by not less than thirty (30) days prior written notice to the Contractor, terminate the Contractor's right to proceed as to the Agreement if the Contractor:
  - 1. Materially fails to perform the services within the time specified or any extension thereof; or
  - 2. So fails to make progress as to materially endanger performance of the Agreement in accordance with its terms; or
  - 3. Materially breaches any provision of this Agreement.Termination, at the option of the Department shall be effective not less than thirty (30) days after receipt of such notice, unless the Contractor shall have corrected such failure(s) thirty (30) days after the receipt by the Contractor of such written notice; any failure which, in the exercise of due diligence, cannot be cured within such thirty (30) day period shall not be deemed a default so long as the Contractor shall within such period commence and thereafter continue diligently to cure such failure.
- c) Termination in the Interest of the Department  
The Department may terminate this agreement at any time by giving written notice to the Contractor of such termination and specifying the effective date thereof, not less than thirty (30) days prior to the effective date of such termination. In such event, all finished or unfinished documents and other materials shall, at the option of the Department, become its property. If the

agreement is terminated by the Department as provided herein, the Contractor will be paid an amount which bears the same rate to the total compensation as the services actually performed bear to the total services of the Contractor covered by this Agreement, less payment of compensation previously made.

**PAR. 9. RESPONSIBILITIES UPON TERMINATION AND/OR DEFAULT OF AGREEMENT**

Upon delivery to the Contractor of a notice of termination, specifying the nature of the termination, the extent to which performance of work under this contract is terminated, and the date upon which such termination becomes effective, the Contractor shall:

1. Stop work under this contract on the date and to the extent specified in the notice of termination.
2. Take such action as may be necessary, or as the Department's project manager may reasonably direct, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which the Department has or may acquire an interest.
3. Terminate all orders to the extent that they relate to the performance of work terminated by the notice of termination.
4. Subject to the provisions of this paragraph, assign to the Department in the manner and to the extent directed by the Department's project officer all of the rights, title, and interest of the Contractor under the orders so terminated, in which case the Department shall have the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders, however, notwithstanding this provision, the Contractor will not be obligated to assign any such rights, title or interest in the absence of payment therefore by the Department.
5. With the approval or ratification of the Department's project manager, initiate settlement of all outstanding liabilities and all claims, arising out of such termination of orders, the cost of which would be reimbursable in whole or in part, in accordance with the provisions of this contract. Prior to a final settlement of said outstanding liabilities and claims arising out of such termination, final written approval of the Department's project manager must be obtained. Final approval by the Department shall not be unreasonably withheld.
6. Subject to the provisions of this paragraph, transfer title, or if the Contractor does not have title, then transfer their rights to the Department (to the extent that title has not already been transferred) and deliver in the manner, at reasonable times, and to the extent reasonably directed by the Department's project manager all files, processing systems, data manuals, or other documentation, in any form, that relate to all the work completed or in progress prior to the notice of termination.
7. Complete the performance of such part of the work as shall not have been terminated by the notice of termination. The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the amount of any item of reimbursable price under this clause.
8. Unless terminated by the Department for default of the Contractor, the Contractor shall be entitled to reasonable account shut down expenses associated with such termination including the penalties associated with early termination of lease, software, hardware, and any other unamortized or incremental expenses accrued but not charged, excluding anticipated profits which shall not be reimbursed. The

Contractor shall submit all identified shut down expenses associated with such termination incurred before and prior to the termination date. Any damages to the Department shall offset any shutdown expenses to the Department.

9. The Contractor acknowledges and agrees the services and/or deliverables provided under this Agreement are very important to the Department and that upon expiration or termination of the Agreement, must be continued without interruption whether by the State, the Department, governmental agency or another private entity ("successor entity"). Prior to the end of the Termination and up to sixty (60) days thereafter, the Contractor agrees to make an orderly transition of contract and/or deliverables hereunder and to perform any and all tasks in good faith that are necessary to preserve the integrity of the work performed by the Contractor on behalf of the Department. Upon termination or expiration of the Agreement, the Contractor, shall, if requested by the Department at least thirty (30) days prior to such termination or expiration, provide reasonable training for the successor entity and/or continued performance of services. For providing such training or continued performance after the Term of the Agreement, the Department shall pay the Contractor at mutually agreed rates for personnel used in providing such training and/or services unless services delivered are already defined herein and rates established then such rates shall apply for such period. Should any missing data, materials, documents, etc., be discovered after expiration or termination, a grace period of one hundred and twenty (120) days shall be in effect during which the data, materials, documents, etc., is to be provided at a predetermined cost or at no additional cost if the Contractor caused the loss. Lost data shall be provided to the Department in form acceptable to the Department.

If a stop work order issued under this clause is canceled or the period of the stop work order or any extension thereof expires, the Contractor shall resume work. The State shall make an equitable adjustment in the delivery schedule, the Agreement price, or both, and the agreement shall be modified, in writing, accordingly, if:

- a) The stop work order results in an increase in the time required for, or in the Contractor's cost properly allocable to the performance of any part of this agreement; and
- b) The Contractor asserts its right to an equitable adjustment within ninety (90) days after the end of the period of work stoppage; provided, that if the state decides the facts justify the action, the state may receive and act upon a proposal submitted at any time before final payment under this Agreement.

The State shall not be liable to the Contractor for loss of profits because of a stop work order issued under this clause, however, unless termination is for a default by the Contractor, the Contractor shall have the right to recover costs associated with maintaining the personnel, leases and equipment during the period of time the stop work order was in effect that cannot otherwise be reasonably utilized by the Contractor during the stop work period.

If the agreement is terminated for default, following a reasonable notice and cure period not to exceed thirty (30) days unless agreed to by both parties, the Department may withhold payment of any amount in excess of fair compensation for the work actually completed by the Contractor prior to termination of this Agreement and will be entitled to pursue all of its other available legal remedies against the Contractor. Notwithstanding the

above, the Contractor shall not be relieved of liability to the Department for damages sustained by virtue of any breach of this Agreement by the Contractor.

The Contractor's liability to the Department for any damages arising out of or related to this Agreement, regardless of the form of action that imposes liability, whether in contract, equity, negligence, intended conduct, tort or otherwise, and including any direct damages incurred by the Department due to the intentional tortious actions of the Contractor in the performance or nonperformance of its obligations under this Agreement is not limited to the total fees paid by the Department to the Contractor under this Agreement. Also, there should be no limitation of the Contractor's liability for disclosure of confidential information or intellectual property infringement. Neither party shall be liable for any amounts for loss of income, profit or savings or incidental, consequential, indirect, exemplary, severance pay, punitive, or special damages of any party, including third parties arising out of or related to this Agreement; provided, however, that the foregoing shall not be deemed to limit in any way the provisions of **ADDENDUM XIII - LIQUIDATED DAMAGES** of this Agreement.

The imposition of liquidated damages shall not limit the Department's rights to pursue any other non-monetary remedies available to it.

The Department may, by written notice of default to the Contractor, provide that the Contractor may cure a failure or breach of this contract within a period of thirty (30) days (or such longer period as the Department's agreement administrator or project manager may authorize in writing), said period to commence upon receipt of the notice of default specifying such failure or breach. The Department's exercise of this provision allowing the Contractor time to cure a failure or breach of this Agreement does not constitute a waiver of the Department's right to terminate this Agreement, without providing a cure period, for any other failure or breach of this Agreement.

In the event the Contractor has failed to perform any substantial obligation under this Agreement, or has otherwise committed a breach of this Agreement, the Department may withhold all monies due and payable to the Contractor directly related to the breach, without penalty, until such failure is cured or otherwise adjudicated.

Assurances before breach

a) If documentation or any other deliverables due under this contract are not in accordance with the contract requirements as reasonably determined by the project manager, upon the Department's request, the Contractor, to the extent commercially reasonable, will deliver additional the Contractor resources to the project in order to complete the deliverable as required by the agreement as reasonably determined by the Department and to demonstrate that other project schedules will not be affected. Upon written notice by the Department's project manager of the Department's concerns regarding the quality or timeliness of an upcoming deliverable, the Contractor shall, within five (5) business days of receipt of said notice, submit a corrective action plan documenting the Contractor's approach to completing the deliverable to the satisfaction of the Department's project officer without affecting other project schedules. The Department's project manager, within five (5) business days of receipt of the corrective action plan, shall approve the plan, reject the plan, or return the plan to the Contractor with specific instructions as to how the plan can be

modified to merit approval and a specific time period in which the revised plan must be resubmitted.

Nothing in the language contained in "limitation of liability" article, "Contractor's liability for injury to person's or damage to property" article and "indemnification" article shall be construed to waive or limit the state or federal sovereign immunity or any other immunity from suit provided by law including, but not limited to Rhode Island General Laws, Title 9 Chapter 31, "Governmental Tort Liability."

Department's options at termination

In the event the Department terminates this contract pursuant to this paragraph, the Department may at its option:

- a) Retain all or a portion of such hardware, equipment, software, and documentation as has been provided, obtaining clear title or rights to the same, and procure upon such terms and in such manner as the Department's project manager may deem appropriate, hardware, equipment, software, documentation, or services as are necessary to complete the project; or
- b) Notwithstanding the above, except as otherwise agreed, nothing herein shall limit the right of the Department to pursue any other legal remedies against the Contractor.

In order to take into account any changes in funding levels because of executive or legislative actions or because of any fiscal limitations not presently anticipated, the Department may reduce or eliminate the amount of the contract as a whole with the scope of services being reduced accordingly, or subject to agreement by the parties concerning the scope and pricing, reduce or eliminate any line item(s).

Notwithstanding the terms, conditions and/or requirements set out in Paragraphs 7 and 8, the Contractor shall not be relieved of liability to the Department for damages sustained by the Department by virtue of any breach of the Agreement by the Contractor, and the Department may withhold payment to the Contractor for the purpose of setoff until such time as the exact amount of damages due the Department from the Contractor is determined.

**PAR. 10. MODIFICATION OF AGREEMENT**

The Department may permit changes in the scope of services, time of performance, or approved budget of the Contractor to be performed hereunder. Such changes, which are mutually agreed upon by the Department and the Contractor, must be in writing and shall be made a part of this agreement by numerically consecutive amendment excluding "Special Projects", if applicable, and are incorporated by reference into this Agreement. No changes are effective unless reflected in an approved change order issued by the State's Division of Purchases.

Special Projects are defined as additional services available to the Department on a time and materials basis with the amounts not to exceed the amounts referenced on the Contractor's RFP cost proposal or as negotiated by project or activity. The change order will specify the scope of the change and the expected completion date. Any change order shall be subject to the same terms and conditions of this Agreement

unless otherwise specified in the change order and agreed upon by the parties. The parties will negotiate in good faith and in a timely manner all aspects of the proposed change order.

#### Availability of Funds

It is understood and agreed by the parties hereto that all obligations of the Department, including the continuance of payments hereunder, are contingent upon the availability and continued appropriation of State and Federal funds, and in no event shall the Department be liable for any payments hereunder in excess of such available and appropriated funds. In the event that the amount of any available or appropriated funds provided by the State or Federal sources for the purchase of services hereunder shall be reduced, terminated or shall not be continued at an aggregate level sufficient to allow for the purchase of the specified amount of services to be purchased hereunder for any reason whatsoever, the Department shall notify the Contractor of such reduction of funds available and the Department shall be entitled to reduce its commitment hereunder as it deems necessary, but shall be obligated for payments due to the Contractor up to the time of such notice. Neither party shall be liable for any amounts for loss of income, profit or savings or incidental, consequential, indirect, exemplary, severance pay, punitive, or special damages of any party, including third parties arising out of or related to this Agreement.

If in **ADDENDUM XVI – BID PROPOSAL**, the Bid Proposal permits Subcontracting, the Contractor must provide the name and the extent of services provided by the Subcontractor in the **BUDGET** paragraph 6, and more fully explained in **ADDENDUM II** of this Agreement, and as further agreed to by the Department and the Contractor in **ADDENDUM IX – SUBCONTRACTOR COMPLIANCE**, which is incorporated by reference herein, and which outlines the expectations and requirements of subcontracted vendors to this Agreement.

If the Contractor subsequently needs to enlist the services of a Subcontractor, the Contractor shall obtain prior written approval of the Department. Approval of the Department for the Contractor to enter into subcontracts to perform the services or obligations of the Contractor pursuant to this Agreement shall not be unreasonably withheld. Nothing in this Agreement or in a subcontract or sub-agreement between the Contractor and subcontractors shall create any contractual relationship between the subcontractor and the Department. Approval by the Department of the Contractor's request to subcontract shall not relieve the Contractor of its responsibilities under this contract and the Contractor shall therefore remain responsible and liable to the Department for any conduct, negligence, acts and omissions, whether intentional or unintentional, by any subcontractor

The positions named by the Contractor and detailed in **ADDENDUM XVII – CORE STAFF POSITIONS**, which is incorporated by reference herein, will be considered

The Contractor shall indemnify, defend and hold the State of Rhode Island, its departments, agencies, branches and its or their officers, directors, agents or employees (together the "Indemnitees" and their subcontractors) harmless against claims, demands, suits for judgments, losses or reasonable expenses or costs of any nature whatsoever (including actual reasonable attorney's fees) to the extent arising in whole or part from the Contractor's willful misconduct, negligence, or omission in provision of services or breach of this Agreement including, but not limited to, injuries of any kind which the staff of the Contractor or its subcontractor may suffer directly or may cause to be suffered by any staff person or persons in the performance of this Agreement, unless caused by the willful misconduct or gross negligence of the Indemnitees.

## **PAR. 15. COPYRIGHTS**

Any and all data, technical information, information systems, materials gathered, originated, developed, prepared, modified, used or obtained by the Contractor in performance of the Agreement used to create and/or maintain work performed by the Contractor, including but not limited to, all hardware, software computer programs, data files, application programs, intellectual property, source code, documentation and manuals, regardless of state of completion shall be deemed to be owned and remain owned by the State ("State Property"), and the State has the right to (1) reproduce, publish, disclose or otherwise use and to authorize others to use the State Property for State or federal government purposes, and (2) receive delivery of such State Property upon 30 days notice by the State throughout the term of the contract and including 120 days thereafter. To be clear with respect to State Property, the work shall be considered "work for hire," i.e., the State, not the selected Contractor or any subcontractor, shall have full and complete ownership of all State Property. The selected Contractor and any subcontractor hereby convey, assign and transfer to State any and all of its or their right, title and interest in State Property, if any, including but not limited to trademarks and copyrights. The State hereby grants to the federal government, and the federal government reserves, a royalty-free, nonexclusive and irrevocable license to reproduce, publish, disclose or otherwise use and to authorize others to use for federal government purposes such software, modifications and documentation designed, developed or installed with federal financial participation.

The Contractor agrees that no findings, listing, or information derived from information obtained through performance, as described in the Scope of Work in Addendum I with or without identifiers, may be released or publicly disclosed in any form for any purpose if such findings, listing, or information contain any combination of data elements that might allow an individual to determine a beneficiary's identification without first obtaining written authorization from the Department's project officer. Examples of such data elements include, but are not limited to geographic indicators, age, sex, diagnosis, procedure, date of birth, or admission/discharge date(s). The Contractor agrees further that the Department shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from the Department's files identify or would, with reasonable effort, permit one to identify an individual, or to deduce the identifying of an individual to a reasonable degree of certainty. The Contractor agrees that the conditions set forth herein apply to any materials presented or submitted review and/or publication that contain individual identifying elements in the information obtained, as stated above, unless such information is presented in the aggregate. Under no circumstance, shall the Contractor publicly disclose or present or submit any materials for review and/or publication that contains an individual's social security number, in part or in whole. The Contractor is hereby notified that all initial data received from DHS is considered confidential by the

Department. For further requirements regarding confidentiality of information please refer to Paragraph 23 of this Agreement.

With respect to claims arising from computer hardware or software manufactured by a third party and sold by the Contractor as a reseller, the Contractor will pass through to the Department such indemnity rights as it receives from such third party ("third party obligation") and will cooperate in enforcing them; provided that if the third party manufacturer fails to honor the third party obligation, the Contractor will provide the Department with indemnity protection equal to that called for by the third party obligation, but in no event greater than that called for in the first sentence of this Paragraph the provisions of the preceding sentence apply only to third party computer hardware or software sold as a distinct unit and accepted by the Department. Unless a third party obligation provides otherwise, the defense and payment obligations set forth in this Paragraph will be conditional upon the following:

1. The Department will notify the Contractor of any such claim in writing and tender the defense thereof within a reasonable time;
2. The Contractor will have sole control of the defense of any action on all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement or violation of any U.S. Intellectual Property Rights by any product or service provided hereunder; and all negotiations for its settlement or compromise; provided that (i) when substantial principles of government or public law are involved, when litigation might create precedent affecting future state operations or liability, or when involvement of the state is otherwise mandated by law, the state may participate in such action at its own expense with respect to attorneys' fees and costs (but not liability); (ii) the state will have the right to approve or disapprove any settlement or compromise, which approval will not unreasonably be withheld or delayed; and
3. The State will reasonably cooperate in the defense and in any related settlement negotiations.

Should the deliverables or software, or the operation thereof, become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement or violation of a U.S. Intellectual Property Rights, the Department shall permit the Contractor at its option and expense either to procure for the Department the right to continue using the deliverables or software, or to replace or modify the same so that they become non-infringing. If none of these options can reasonably be taken, or if the use of such deliverables or software by the Department shall be prevented by injunction, the Contractor agrees to take back such deliverables or software and make every reasonable effort to assist the Department in procuring substitute deliverables or software. If, in the sole opinion of the Department, the return of such infringing deliverables or software makes the retention of other deliverables or software acquired from the Contractor under this Agreement impractical, the Department shall then have the option of terminating such agreements, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such deliverables or software and refund any sums the Department has paid the Contractor less any reasonable amount for use or damage.

The Contractor shall have no liability to the Department under any provision of this clause with respect to any claim of patent, copyright or trade secret infringement that is based upon:

- The combination or utilization of deliverables furnished hereunder with equipment or devices not made or furnished by the Contractor; or,
- The operation of equipment furnished by the Contractor under the control of any operating software other than, or in addition to, the current version of the Contractor-supplied operating software; or
- The modification by the Department of the equipment furnished hereunder or of the software; or
- The combination or utilization of software furnished hereunder with non-Contractor supplied software.

The Contractor certifies that it has appropriate systems and controls in place to ensure that Department funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

#### **PAR. 16. PARTNERSHIP**

It is understood and agreed that nothing herein is intended or should be construed in any manner as creating or establishing the legal relation of partnership between the parties hereto, or as constituting the employees, agents, or representatives of the Contractor included in this Agreement as employees, agents, or representatives of the Department.

#### **PAR. 17. INTEREST OF CONTRACTOR**

## ADDENDUM VII

### DRUG-FREE WORKPLACE POLICY

Drug use and abuse at the workplace or while on duty are subjects of immediate concern in our society. These problems are extremely complex and ones for which there are no easy solutions. From a safety perspective, the users of drugs may impair the well-being of all employees, the public at large, and result in damage to property. Therefore, it is the policy of the state that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the workplace. Any employee(s) violating this policy will be subject to discipline up to and including termination. An employee may also be discharged or otherwise disciplined for a conviction involving illicit drug use, regardless of whether the employee's conduct was detected within employment hours or whether his/her actions were connected in any way with his or her employment. The specifics of this policy are as follows:

1. Any unauthorized employee who gives or in any way transfers a controlled substance to another person or sells or manufactures a controlled substance while on duty, regardless of whether the employee is on or off the premises of the employer will be subject to discipline up to and including termination.
2. The term "controlled substance" means any drugs listed in 21 USC, Section 812 and other Federal regulations. Generally, all illegal drugs and substances are included, such as marijuana, heroin, morphine, cocaine, codeine or opium additives, LSD, DMT, STP, amphetamines, methamphetamines, and barbiturates.
3. Each employee is required by law to inform the agency within five (5) days after he/she is convicted for violation of any Federal or State criminal drug statute. A conviction means a finding of guilt (including a plea of nolo contendere) or the imposition of a sentence by a judge or jury in any Federal or State Court.
4. The employer (the hiring authority) will be responsible for reporting conviction(s) to the appropriate Federal granting source within ten (10) days after receiving notice from the employee or otherwise receives actual notice of such conviction(s). All conviction(s) must be reported in writing to the Office of Personnel Administration (OPA) within the same time frame.
5. If an employee is convicted of violating any criminal drug statute while on duty, he/ she will be subject to discipline up to and including termination. Conviction(s) while off duty may result in discipline or discharge.
6. The state encourages any employee with a drug abuse problem to seek assistance from the Rhode Island Employee Assistance Program (RIEAP). Your Personnel Officer has more information on RIEAP.
7. The law requires all employees to abide by this policy.

CONTRACTOR CERTIFICATE OF COMPLIANCE**

I, \_\_\_\_\_, (Name) \_\_\_\_\_ (Title) \_\_\_\_\_ (Contractor Name), a contractor doing business with the state of Rhode Island, hereby acknowledge that I have received a copy of the state's policy regarding the maintenance of a **Drug-Free Workplace**. I have been informed that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance (to include but not limited to such drugs as marijuana, heroin, cocaine, PCP, and crack, and may also include legal drugs which may be prescribed by a licensed physician if they are abused), is prohibited on the State's premises or while conducting State business. I acknowledge that my employees must report for work in a fit condition to perform their duties.

As a condition for contracting with the state, as a result of the Federal Omnibus Drug Act, I will require my employees to abide by the state's policy. Further, I recognize that any violation of this policy may result in termination of the contract.

**CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE**

Public Law 103-227, Part c - Environmental Tobacco Smoke (20 U.S.C.A. § 6081-6084), also known as the Pro-Children Act of 1994 (**Act**), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through state or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment.

Any failure to comply with a prohibition in this section shall be a violation of this section and any person subject to such prohibition who commits such violation may be liable to the United States for a civil penalty in an amount not to exceed \$1,000 for each violation, or may be subject to an administrative compliance order, or both, as determined by the Director. Each day a violation continues shall constitute a separate violation. In the case of any civil penalty under this section, the total amount shall not exceed the amount of Federal funds received by such person for the fiscal year in which the continuing violations occurred.

By signing and submitting this application the applicant/contractor certifies that it will comply with the requirements of the Act. The applicant/contractor further agrees that it will require the language of this certification be included in any sub-awards which contain provisions for children's services and that all sub-contractors shall certify accordingly.

## ADDENDUM XI

### INSTRUCTIONS FOR CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

#### PRIMARY COVERED TRANSACTIONS

By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

1. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the Department's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or explanation shall disqualify such person from participation in this transaction.
2. The certification in this clause is a material representation of fact upon which reliance was placed when the Department determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Department. The Department may terminate this transaction for cause or default.
3. The prospective primary participant shall provide immediate written notice to the Department if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the definitions and coverage sections of the rules implementing Executive Order 12549.
5. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department.
6. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled certification regarding debarment, suspension, ineligibility and voluntary exclusion - lower tier covered transactions, provided by the Department, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the

certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the non-procurement list (of excluded parties).

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by as prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Department may terminate this transaction for cause of default.

**ADDENDUM XII**

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER  
RESPONSIBILITY MATTERS – PRIMARY COVERED TRANSACTIONS**

The contractor, as the primary participant, certifies to the best of the contractor's knowledge and belief, that the contractor and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
2. Have not within a three (3) year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

## ADDENDUM XIII

### LIQUIDATED DAMAGES

The prospective primary participant contractor agrees that time is of the essence in the performance of certain designated portions of this contract. The Department and the contractor agree that in the event of a failure to meet the milestones and project deliverable dates or any standard of performance within the time set forth in the Department's bid proposal and the contractor's proposal response (Addendum XVI), damage shall be sustained by the Department and that it may be impractical and extremely difficult to ascertain and determine the actual damages which the Department will sustain by reason of such failure. It is therefore agreed that Department, at its sole option, may require the contractor to pay liquidated damages for such failures with the following provisions:

1. Where the failure is the sole and exclusive fault of the Department, no liquidated damages shall be imposed. To the extent that each party is responsible for the failure, liquidated damages shall be reduced by the apportioned share of such responsibility.
2. For any failure by the contractor to meet any performance standard, milestone or project deliverable, the Department may require the contractor to pay liquidated damages in the amount(s) and as set forth in the state's general conditions of purchase as described particularly in the LOI, RFP, RFQ, or scope of work, however, any liquidated damages assessed by the Department shall not exceed 10% of the total amount of any such month's invoice in which the liquidated damages are assessed and shall not in the aggregate, over the life of the agreement, exceed the total contract value.

Written notification of failure to meet a performance requirement shall be given by the Department's project officer to the contractor's project officer. The contractor shall have a reasonable period designated by the Department from the date of receipt of written notification. If the failure is not materially resolved within this period, liquidated damages may be imposed retroactively to the date of expected delivery.

In the event that liquidated damages have been imposed and retained by the Department, any such damages shall be refunded, provided that the entire system takeover has been accomplished and approved by the Department according to the original schedule detailed in the contractor's proposal response included in this contract (Addendum XVI) as modified by mutually agreed upon change orders.

To the extent liquidated damages have been assessed, such damages shall be the sole monetary remedy available to the Department for such failure. This does not preclude the state from taking other legal action.

## ADDENDUM XIV

### EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this agreement, the contractor agrees as follows:

1. The Contractor shall not discriminate against any employee or applicant for employment relating to this agreement because of race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability, unless related to a bona fide occupational qualification. The Contractor shall take affirmative action to ensure that applicants are employed and employees are treated equally during employment, without regard to their race, color, religion, sex, age, national origin, or physical or mental disability.

Such action shall include but not be limited to the following: employment, upgrading, demotions, or transfers; recruitment or recruitment advertising; layoffs or terminations; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Contractor agrees to post in conspicuous places available to employees and applicants for employment notices setting forth the provisions of this nondiscrimination clause.

2. The Contractor shall, in all solicitations or advertising for employees placed by or on behalf of the contractor relating to this agreement, state that all qualified applicants shall receive consideration for employment without regard to race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability.
3. The Contractor shall inform the contracting Department's equal employment opportunity coordinator of any discrimination complaints brought to an external regulatory body (RI Ethics Commission, RI Department of Administration, US DHHS Office of Civil Rights) against their agency by any individual as well as any lawsuit regarding alleged discriminatory practice.
4. The Contractor shall comply with all aspects of the Americans with Disabilities Act (ADA) in employment and in the provision of service to include accessibility and reasonable accommodations for employees and clients.
5. Contractors and subcontractors with agreements in excess of \$50,000 shall also pursue in good faith affirmative action programs.
6. The Contractor shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this agreement so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

**ADDENDUM XV**

**BYRD ANTI-LOBBYING AMENDMENT**

No Federal or State appropriated funds shall be expended by the contractor for influencing or attempting to influence an officer or employee of any agency, a member of congress or State Legislature, an officer or employee of congress or state legislature, or an employee of a member of congress or state legislature in connection with any of the following covered actions: the awarding of any agreement; the making of any grant; the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any agreement, grant, or cooperative agreement. Signing this agreement fulfills the requirement that contractors receiving over \$100,000 in Federal or State funds file with the Department on this provision.

If any Non-Federal or State Funds have been or will be paid to any person in connection with any of the covered actions in this provision, the Contractor shall complete and submit a "Disclosure of Lobbying Activities" form.

#### IMPORTANT ITEMS TO NOTE ABOUT NEW REQUIREMENT

The Federal Funding Accountability and Transparency Act (FFATA or Transparency Act - P.L.109-282, as amended by section 6202(a) of P.L. 110-252) requires the Office of Management and Budget (OMB) to maintain a single, searchable website that contains current information on all Federal spending awards. Subject: SNAP Nutrition Education  
CC: Maureen Wu, CFO, DHS

---

USDA/FNS approved a three year SNAP Nutrition Education plan for FY2015-2017. Our contractor for SNAP Nutrition Education is URI. For FFY2017, URI was approved for a budget of \$1,237,081.00 in federal funds. Although, URI is approved for a yearly contract, FNS allows federal funds to carry over into the next fiscal year and allows the federal award to be spent within two years of the date of the award. At the end of FFY16, URI had \$359,470.00 leftover in funds.

The attached is an amendment to the URI SNAP-Ed budget for FFY17. It increases their budget to the \$1,596,551, by incorporating the carryover funds from FFY16. This amendment will allow the contract to accurately reflect the budget for FFY17.

WHEREAS the Contractor is willing and qualified to provide services, the parties hereto do mutually agree as follows:

### PAR. 1. GOVERNING LAW AND GENERAL TERMS AND CONDITIONS

The State's Purchasing Law (Chapter 37-2 of the Rhode Island General Laws) and Rhode Island Department of Administration, Division of Purchases, Purchasing Rules, Regulations, and General Conditions of Purchasing apply as the governing terms and conditions of this Agreement, which can be obtained at <http://www.purchasing.ri.gov/RIVIP/info>. ### PAR. 2. PERFORMANCE

The Contractor shall perform all obligations, duties and the required scope of work for the period of time listed in this Agreement, Exhibit(s) and/or Addenda that are attached hereto and are incorporated by reference herein, in a satisfactory manner to be determined at the sole and absolute discretion of the Department, and in accordance with requirements of this Agreement. The Department shall have the right at all times to review the work being performed as well as the places where such work is performed; and to that end, the Department shall be given reasonable access to all activities related to this Agreement.

### PAR. 3. TIME OF PERFORMANCE

The Contractor shall commence performance of this Agreement on the FIRST day of OCTOBER, 2014, and shall complete performance no later than the THIRTIETH day of SEPTEMBER, 2017 (hereinafter the "Initial Term"), unless terminated prior to that day by other provisions of this Agreement. *If this contract was awarded as a result of an RFP or bid process, then, by mutual agreement, this contract may be extended as stated in the RFP or bid process (hereinafter "Renewal Term(s)")* beyond the Initial Term upon one hundred twenty (120) days prior written notice of the expiration of the Initial Term or any Renewal Term to the Contractor.

In the event the Department or the Contractor gives notice of its intent not to renew this Agreement, the Department shall have the right to extend all or any services to be performed under this Agreement for an additional period of one hundred and eighty

(180) days, or such longer period as mutually agreed by the parties in writing.

**PAR. 4. PROJECT OFFICER – DEPARTMENT**

The Department shall appoint a Contract Officer to manage this Agreement. The Contractor agrees to maintain close and continuing communication with the Contract Officer throughout the performance of work and services undertaken under the terms of this Agreement. The Contract Officer is responsible for authorizing, or seeking authorization of all payments made by the Department to the Contractor under this Agreement.

**PAR. 5. PROJECT OFFICER – CONTRACTOR**

The Contractor shall appoint a Project Officer to be responsible for coordinating and reporting work performed by the Contractor agency under this Agreement. The Project Officer shall notify the Department in writing immediately, and seek approval from the Department, should a change to this Agreement be necessary in the opinion of the Project Officer. Under no circumstances will a change be undertaken without the prior written approval of the Department.

**PAR. 6. BUDGET**

Total payment for services to be provided under this Agreement shall not exceed the total budget as detailed in **ADDENDUM II**. Expenditures exceeding budget line-item categories by ten percent (10%) shall not be authorized unless prior written approval is first obtained pursuant to **PAR. 10. - MODIFICATION OF AGREEMENT**, subject to the maximum amount of this Agreement as stated above.

**PAR. 7. METHOD OF PAYMENT AND REPORTS**

The Department will make payments to the Contractor in accordance with provisions of **ADDENDUM III - PAYMENTS AND REPORTS SCHEDULE** attached hereto and incorporated by reference herein. The Department acknowledges and agrees that any increase in expenses due to delays by the Department which extends the time of performance shall be subject to reimbursement of the costs associated with such delays. The Contractor will complete and forward narrative and fiscal reports as per **ADDENDUM III - PAYMENTS AND REPORTS SCHEDULE**.

**PAR. 8. TERMINATION AND/OR DEFAULT OF AGREEMENT**

This Agreement shall be subject to termination under any of the following conditions:

- a) Mutual Agreement  
The contracting parties mutually agree in writing to termination.
- b) Default by Contractor  
The Department may, by not less than thirty (30) days prior written notice to the Contractor, terminate the Contractor's right to proceed as to the Agreement if the Contractor:
  1. Materially fails to perform the services within the time specified or any extension thereof; or
  2. So fails to make progress as to materially endanger performance of the Agreement in accordance with its terms; or

3. Materially breaches any provision of this Agreement. Termination, at the option of the Department shall be effective not less than thirty (30) days after receipt of such notice, unless the Contractor shall have corrected such failure(s) thirty (30) days after the receipt by the Contractor of such written notice; any failure which, in the exercise of due diligence, cannot be cured within such thirty (30) day period shall not be deemed a default so long as the Contractor shall within such period commence and thereafter continue diligently to cure such failure.

c) Termination in the Interest of the Department

The Department may terminate this agreement at any time by giving written notice to the Contractor of such termination and specifying the effective date thereof, not less than thirty (30) days prior to the effective date of such termination. In such event, all finished or unfinished documents and other materials shall, at the option of the department, become its property. If the agreement is terminated by the department as provided herein, the Contractor will be paid an amount which bears the same rate to the total compensation as the services actually performed bear to the total services of the Contractor covered by this Agreement, less payment of compensation previously made.

d) Availability of Funds

It is understood and agreed by the parties hereto that all obligations of the Department, including the continuance of payments hereunder, are contingent upon the availability and continued appropriation of State and Federal funds, and in no event shall the Department be liable for any payments hereunder in excess of such available and appropriated funds. In the event that the amount of any available or appropriated funds provided by the State or Federal sources for the purchase of services hereunder shall be reduced, terminated or shall not be continued at an aggregate level sufficient to allow for the purchase of the specified amount of services to be purchased hereunder for any reason whatsoever, the Department shall notify the Contractor of such reduction of funds available and the Department shall be entitled to reduce its commitment hereunder as it deems necessary, but shall be obligated for payments due to the Contractor up to the time of such notice. None of the provisions of this paragraph shall entitle the Department to compensation for anticipated profits for unperformed work.

**PAR. 9. RESPONSIBILITIES UPON TERMINATION AND/OR DEFAULT OF AGREEMENT**

Upon delivery to the Contractor of a notice of termination, specifying the nature of the termination, the extent to which performance of work under this contract is terminated, and the date upon which such termination becomes effective, the Contractor shall:

1. Stop work under this contract on the date and to the extent specified in the notice of termination.
2. Take such action as may be necessary, or as the Department's project manager may reasonably direct, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which the Department has or may acquire an interest.
3. Terminate all orders to the extent that they relate to the performance of work

terminated by the notice of termination.

4. Subject to the provisions of this paragraph, assign to the Department in the manner and to the extent directed by the Department's project officer all of the rights, title, and interest of the Contractor under the orders so terminated, in which case the Department shall have the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders, however, notwithstanding this provision, the Contractor will not be obligated to assign any such rights, title or interest in the absence of payment therefore by the Department.
5. With the approval or ratification of the Department's project manager, initiate settlement of all outstanding liabilities and all claims, arising out of such termination of orders, the cost of which would be reimbursable in whole or in part, in accordance with the provisions of this contract. Prior to a final settlement of said outstanding liabilities and claims arising out of such termination, final written approval of the Department's project manager must be obtained. Final approval by the Department shall not be unreasonably withheld.
6. Subject to the provisions of this paragraph, transfer title, or if the Contractor does not have title, then transfer their rights to the Department (to the extent that title has not already been transferred) and deliver in the manner, at reasonable times, and to the extent reasonably directed by the Department's project manager all files, processing systems, data manuals, or other documentation, in any form, that relate to all the work completed or in progress prior to the notice of termination.
7. Complete the performance of such part of the work as shall not have been terminated by the notice of termination.

The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the amount of any item of reimbursable price under this clause.

8. The Contractor shall be entitled to reasonable account shut down expenses associated with such termination including the penalties associated with early termination of lease, software, hardware, and any other unamortized or incremental expenses accrued but not charged, excluding anticipated profits which shall not be reimbursed. The Contractor shall submit all identified shut down expenses associated with such termination incurred before and prior to the termination date.
9. The Contractor acknowledges and agrees the services and/or deliverables provided under this Agreement are very important to the Department and that upon expiration or termination of the Agreement, must be continued without interruption whether by the State, the Department, governmental agency or another private entity ("successor entity"). Prior to the end of the Termination and up to sixty (60) days thereafter, the Contractor agrees to make an orderly transition of contract and/or deliverables hereunder and to perform any and all tasks in good faith that are necessary to preserve the integrity of the work performed by the Contractor on behalf of the Department. Upon termination or expiration of the Agreement, the Contractor, shall, if requested by the Department at least thirty (30) days prior to such termination or expiration, provide

reasonable training for the successor entity and/or continued performance of services. For providing such training or continued performance after the Term of the Agreement, the Department shall pay the Contractor at mutually agreed rates for personnel used in providing such training and/or services unless services delivered are already defined herein and rates established then such rates shall apply for such period. Should any missing data, materials, documents, etc., be discovered after expiration or termination, a grace period of one hundred and twenty (120) days shall be in effect during which the data, materials, documents, etc., is to be provided at a predetermined cost or at no additional cost if the Contractor caused the loss. Lost data shall be provided to the Department in form acceptable to the Department.

If a stop work order issued under this clause is canceled or the period of the stop work order or any extension thereof expires, the Contractor shall resume work. The State shall make an equitable adjustment in the delivery schedule, the Agreement price, or both, and the agreement shall be modified, in writing, accordingly, if:

- a) The stop work order results in an increase in the time required for, or in the Contractor's cost properly allocable to the performance of any part of this agreement; and
- b) The Contractor asserts its right to an equitable adjustment within ninety (90) days after the end of the period of work stoppage; provided, that if the state decides the facts justify the action, the state may receive and act upon a proposal submitted at any time before final payment under this Agreement.

The State shall not be liable to the Contractor for loss of profits because of a stop work order issued under this clause, however, the Contractor shall have the right to recover costs associated with maintaining the personnel, leases and equipment during the period of time the stop work order was in effect that cannot otherwise be reasonably utilized by the Contractor during the stop work period.

If the agreement is terminated for default, following a reasonable notice and cure period not to exceed thirty (30) days unless agreed to by both parties, the Department may withhold payment of any amount in excess of fair compensation for the work actually completed by the Contractor prior to termination of this Agreement and will be entitled to pursue all of its other available legal remedies against the Contractor. Notwithstanding the above, the Contractor shall not be relieved of liability to the Department for damages sustained by virtue of any breach of this Agreement by the Contractor.

The Contractor's liability to the Department for any damages arising out of or related to this Agreement, regardless of the form of action that imposes liability, whether in contract, equity, negligence, intended conduct, tort or otherwise, will be limited to and will not exceed, in the aggregate for all claims, actions and causes of action of every kind and nature, the total fees paid by the Department to the Contractor under this Agreement. The exception to this limitation of liability is with regard to any direct damages incurred by the Department due to the intentional tortious actions of the Contractor in the performance or nonperformance of its obligations under this Agreement. Neither party shall be liable for any amounts for loss of income, profit or savings or incidental, consequential, indirect, exemplary, punitive, or special damages of any party, including third parties arising out of or related to this Agreement; provided, however, that the foregoing shall not be deemed to limit in any way the

provisions of **ADDENDUM XIII - LIQUIDATED DAMAGES** of this Agreement.

The imposition of liquidated damages shall not limit the Department's rights to pursue any other non-monetary remedies available to it.

The Department may, by written notice of default to the Contractor, provide that the Contractor may cure a failure or breach of this contract within a period of thirty (30) days (or such longer period as the Department's agreement administrator or project manager may authorize in writing), said period to commence upon receipt of the notice of default specifying such failure or breach. The Department's exercise of this provision allowing the Contractor time to cure a failure or breach of this Agreement does not constitute a waiver of the Department's right to terminate this Agreement, without providing a cure period, for any other failure or breach of this Agreement.

In the event the Contractor has failed to perform any substantial obligation under this Agreement, or has otherwise committed a breach of this Agreement, the Department may withhold all monies due and payable to the Contractor directly related to the breach, without penalty, until such failure is cured or otherwise adjudicated.

#### Assurances before breach

a) If documentation or any other deliverables due under this contract are not in accordance with the contract requirements as reasonably determined by the project manager, upon the Department's request, the Contractor, to the extent commercially reasonable, will deliver additional the Contractor resources to the project in order to complete the deliverable as required by the agreement as reasonably determined by the Department and to demonstrate that other project schedules will not be affected. Upon written notice by the Department's project manager of the Department's concerns regarding the quality or timeliness of an upcoming deliverable, the Contractor shall, within five (5) business days of receipt of said notice, submit a corrective action plan documenting the Contractor's approach to completing the deliverable to the satisfaction of the Department's project officer without affecting other project schedules. The Department's project manager, within five (5) business days of receipt of the corrective action plan, shall approve the plan, reject the plan, or return the plan to the Contractor with specific instructions as to how the plan can be modified to merit approval and a specific time period in which the revised plan must be resubmitted.

Nothing in the language contained in "limitation of liability" article, "Contractor's liability for injury to person's or damage to property" article and "indemnification" article shall be construed to waive or limit the state or federal sovereign immunity or any other immunity from suit provided by law including, but not limited to Rhode Island General Laws, Title 9 Chapter 31, "Governmental Tort Liability."

#### Department options at termination

In the event the Department terminates this contract pursuant to this paragraph, the Department may at its option:

a) Retain all or a portion of such hardware, equipment, software, and documentation as has been provided, obtaining clear title or rights to the same, and procure upon such terms and in such manner as the Department's project manager may deem

appropriate, hardware, equipment, software, documentation, or services as are necessary to complete the project; or

b) Notwithstanding the above, except as otherwise agreed, nothing herein shall limit the right of the Department to pursue any other legal remedies against the Contractor.

In order to take into account any changes in funding levels because of executive or legislative actions or because of any fiscal limitations not presently anticipated, the Department may reduce or eliminate the amount of the contract as a whole with the scope of services being reduced accordingly, or subject to agreement by the parties concerning the scope and pricing, reduce or eliminate any line item(s).

Notwithstanding the terms, conditions and/or requirements set out in Paragraphs 7 and 8, the Contractor shall not be relieved of liability to the Department for damages sustained by the Department by virtue of any breach of the Agreement by the Contractor, and the Department may withhold payment to the Contractor for the purpose of setoff until such time as the exact amount of damages due the Department from the Contractor is determined.

#### **PAR. 10. MODIFICATION OF AGREEMENT**

The Department may permit changes in the scope of services, time of performance, or approved budget of the Contractor to be performed hereunder. Such changes, which are mutually agreed upon by the department and the Contractor, must be in writing and shall be made a part of this agreement by numerically consecutive amendment excluding "Special Projects", if applicable, and are incorporated by reference into this Agreement.

Special Projects are defined as additional services available to the department on a time and materials basis with the amounts not to exceed the amounts referenced on the Contractor's RFP cost proposal or as negotiated by project or activity. The change order will specify the scope of the change and the expected completion date. Any change order shall be subject to the same terms and conditions of this Agreement unless otherwise specified in the change order and agreed upon by the parties. The parties will negotiate in good faith and in a timely manner all aspects of the proposed change order.

#### **PAR. 11. SUBCONTRACTS**

It is expressly agreed that the Contractor shall not enter into any subcontract(s) nor delegate any responsibilities to perform the services listed in this Agreement without the advanced, written approval of the Department. If in **ADDENDUM XVI – BID PROPOSAL**, the Bid Proposal permits Subcontracting, the Contractor must provide the name and the extent of services provided by the Subcontractor in the **BUDGET** paragraph 6, and more fully explained in **ADDENDUM II** of this Agreement, and as further agreed to by the Department and the Contractor in **ADDENDUM IX – SUBCONTRACTOR COMPLIANCE**, which is incorporated by reference herein, and which outlines the expectations and requirements of subcontracted vendors to this Agreement.

If the Contractor subsequently needs to enlist the services of a Subcontractor, the

Contractor shall obtain prior written approval of the Department. Approval of the Department for the Contractor to enter into subcontracts to perform the services or obligations of the Contractor pursuant to this Agreement shall not be unreasonably withheld. Nothing in this Agreement or in a subcontract or sub-agreement between the Contractor and subcontractors shall create any contractual relationship between the subcontractor and the Department. Approval by the Department of the Contractor's request to subcontract shall not relieve the Contractor of its responsibilities under this contract and the Contractor shall therefore remain responsible and liable to the Department for any conduct, negligence, acts and omissions, whether intentional or unintentional, by any subcontractor

The positions named by the Contractor and detailed in **ADDENDUM XVII – CORE STAFF POSITIONS**, which is incorporated by reference herein, will be considered core project staff positions for this project. The Contractor will not alter the core project team or use an independent contractor, company or subcontractor to meet required deliverables without the prior written consent of the Department's project officer or other appointed designee(s) for which consent shall not be unreasonably withheld.

Failure to comply with the provisions of this Paragraph could result in denial of reimbursement for such non-approved sub-contracts.

#### PAR. 14. ASSIGNABILITY

The Contractor shall not assign any interest in this Agreement (whether by assignment or novation) without the prior written consent of the Department, thereto; provided, however, that claims or money due or to become due to the Contractor from the Department under this Agreement may be assigned to a bank, trust company, or other financial institution without such approval. #### PAR. 15. COPYRIGHTS

Any and all data, technical information, information systems, materials gathered, originated, developed, prepared, modified, used or obtained by the Contractor in performance of the Agreement used to create and/or maintain work performed by the Contractor, including but not limited to, all hardware, software computer programs, data files, application programs, intellectual property, source code, documentation and manuals, regardless of state of completion shall be deemed to be owned and remain owned by the State ("State Property"), and the State has the right to (1) reproduce, publish, disclose or otherwise use and to authorize others to use the State Property for State or federal government purposes, and (2) receive delivery of such State Property upon 30 days notice by the State throughout the term of the contract and including 120 days thereafter. To be clear with respect to State Property, the work shall be considered "work for hire," i.e., the State, not the selected Contractor or any subcontractor, shall have full and complete ownership of all State Property. The selected Contractor and any subcontractor hereby convey, assign and transfer to State any and all of its or their right, title and interest in State Property, if any, including but not limited to trademarks and copyrights. The State hereby grants to the federal government, and the federal government reserves, a royalty-free, nonexclusive and irrevocable license to reproduce, publish, disclose or otherwise use and to authorize others to use for federal government purposes such software, modifications and documentation designed, developed or installed with federal financial participation.

The Contractor agrees that no findings, listing, or information derived from information obtained through performance, as described in the Scope of Work in Addendum I with or without identifiers, may be released or publicly disclosed in any form for any purpose if such findings, listing, or information contain any combination of data elements that might allow an individual to determine a beneficiary's identification without first obtaining written authorization from the Department's project officer. Examples of such data elements include, but are not limited to geographic indicators, age, sex, diagnosis, procedure, date of birth, or admission/discharge date(s). The Contractor agrees further that the Department shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from the Department's files identify or would, with reasonable effort, permit one to identify an individual, or to deduce the identifying of an individual to a reasonable degree of certainty. The Contractor agrees that the conditions set forth herein apply to any materials presented or submitted review and/or publication that contain individual identifying elements in the information obtained, as stated above, unless such information is presented in the aggregate. Under no circumstance, shall the Contractor publicly disclose or present or submit any materials for review and/or publication that contains an individual's social

security number, in part or in whole. The Contractor is hereby notified that all initial data received from DHS is considered confidential by the Department. For further requirements regarding confidentiality of information please refer to Paragraph 26 of this Agreement.

With respect to claims arising from computer hardware or software manufactured by a third party and sold by the Contractor as a reseller, the Contractor will pass through to the Department such indemnity rights as it receives from such third party ("third party obligation") and will cooperate in enforcing them; provided that if the third party manufacturer fails to honor the third party obligation, the Contractor will provide the Department with indemnity protection equal to that called for by the third party obligation, but in no event greater than that called for in the first sentence of this Paragraph the provisions of the preceding sentence apply only to third party computer hardware or software sold as a distinct unit and accepted by the Department. Unless a third party obligation provides otherwise, the defense and payment obligations set forth in this Paragraph will be conditional upon the following:

1. The Department will notify the Contractor of any such claim in writing and tender the defense thereof within a reasonable time;
2. The Contractor will have sole control of the defense of any action on all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement or violation of any U.S. Intellectual Property Rights by any product or service provided hereunder; and all negotiations for its settlement or compromise; provided that (i) when substantial principles of government or public law are involved, when litigation might create precedent affecting future state operations or liability, or when involvement of the state is otherwise mandated by law, the state may participate in such action at its own expense with respect to attorneys' fees and costs (but not liability); (ii) the state will have the right to approve or disapprove any settlement or compromise, which approval will not unreasonably be withheld or delayed; and
3. The State will reasonably cooperate in the defense and in any related settlement negotiations.

Should the deliverables or software, or the operation thereof, become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement or violation of a U.S. Intellectual Property Rights, the Department shall permit the Contractor at its option and expense either to procure for the Department the right to continue using the deliverables or software, or to replace or modify the same so that they become non-infringing. If none of these options can reasonably be taken, or if the use of such deliverables or software by the Department shall be prevented by injunction, the Contractor agrees to take back such deliverables or software and make every reasonable effort to assist the Department in procuring substitute deliverables or software. If, in the sole opinion of the Department, the return of such infringing deliverables or software makes the retention of other deliverables or software acquired from the Contractor under this Agreement impractical, the Department shall then have the option of terminating such agreements, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such deliverables or software and refund any sums the Department has paid the Contractor less any reasonable amount for use or damage.

The Contractor shall have no liability to the Department under any provision of this clause with respect to any claim of patent, copyright or trade secret infringement that is based upon:

The combination or utilization of deliverables furnished hereunder with equipment or devices not made or furnished by the Contractor; or,

The operation of equipment furnished by the Contractor under the control of any operating software other than, or in addition to, the current version of the Contractor-supplied operating software; or

The modification by the Department of the equipment furnished hereunder or of the software; or

The combination or utilization of software furnished hereunder with non-Contractor supplied software.

The Contractor certifies that it has appropriate systems and controls in place to ensure that Department funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

The Contractor agrees that no findings, listing, or information derived from information obtained through performance, as described in **ADDENDUM I - SCOPE OF WORK**, with or without identifiers, may be released or publicly disclosed in any form for any purpose if such findings, listing, or information contain any combination of data elements that might allow an individual to determine a beneficiary's identification without first obtaining written authorization from the Department's project officer. Examples of such data elements include, but are not limited to geographic indicators, age, sex, diagnosis, procedure, date of birth, or admission/discharge date(s). The Contractor agrees further that the Department shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from the Department's files identify or would, with reasonable effort, permit one to identify an individual, or to deduce the identifying of an individual to a reasonable degree of certainty. The Contractor agrees that the conditions set forth herein apply to any materials presented or submitted review and/or publication that contain individual identifying elements in the information obtained, as stated above, unless such information is presented in the aggregate. Under no circumstance, shall the Contractor publicly disclose or present or submit any materials for review and/or publication that contains an individual's social security number, in part or in whole. The Contractor is hereby notified that all initial data received from the Department is considered confidential by the Department.

#### **PAR. 16. PARTNERSHIP**

It is understood and agreed that nothing herein is intended or should be construed in any manner as creating or establishing the legal relation of partnership between the parties hereto, or as constituting the employees, agents, or representatives of the Contractor included in this Agreement as employees, agents, or representatives of the Department.

#### **PAR. 17. INTEREST OF CONTRACTOR**

The Contractor covenants that it presently has no pecuniary interest and

shall not acquire any such interest, direct or indirect, without first disclosing to the Department in writing and then subsequently obtaining approval, in writing, from the Department, that would conflict in any manner or degree with the performance of services required under this Agreement. The Contractor further covenants that no person having any such interest shall be employed by the Contractor for the performance of any work associated with this Agreement.

**PAR. 18. FEDERAL FUNDING PROVISIONS**

Funds made available to the Contractor under this Agreement are or may be derived from federal funds made available to the Department. The Provisions of Paragraph 5 and Addendum II notwithstanding, the Contractor agrees to make claims for payment under this Agreement in accordance with applicable federal policies. The Contractor agrees that no payments under this Agreement will be claimed for reimbursement under any other Agreement, grant or contract that the Contractor may hold that provides funding from the same State or Federal sources. The Contractor further agrees to be liable for audit exceptions that may arise from examination of claims for payment under this Agreement. The Contractor specifically agrees to abide by all applicable federal requirements for Contractors. States are required to collect information from contractors for awards greater than \$25,000 as described in **ADDENDUM XVIII – FEDERAL SUBAWARD REPORTING.**

**PAR. 19. FUNDING DENIED**

It is understood and agreed that in the event that less than full federal funding or other funding is received by the Department due directly to the failure of the Contractor to comply with the terms of this Agreement, the Contractor is liable to the State of Rhode Island for an amount equal to the amount of the denied funding. Should the Contractor be liable for the amount of the denied funding, then such amount shall be payable upon demand of the Department.

The Contractor agrees that no expenditures claimed for reimbursement under this Agreement will be claimed for reimbursement under any other agreement, grant, or contract that the Contractor may hold which provides funding from state or federal sources. The Contractor further agrees to be liable for audit exceptions that may arise from examination of expenditures: (a) claimed by the Contractor for reimbursement under this Agreement, and/or (b) submitted by the Contractor in meeting any cost participation requirements.

**PAR. 20. ACCESSIBILITY AND RETENTION OF RECORDS**

The Contractor agrees to make accessible and to maintain all fiscal and activity records relating to this Agreement to state and/or federal officials, or their designated representatives, necessary to verify the accuracy of Contractor invoices or compliance with this Agreement. This accessibility requirement shall include the right to review and copy such records. This requirement is also intended to include any auditing, monitoring, and evaluation procedures, including on-site visits, performed individually or jointly, by state or federal officials or their agents necessary to verify the accuracy of Contractor invoices or compliance with the this Agreement. If such records are maintained out of the state of Rhode Island, such records shall be made accessible by the Contractor at a Rhode Island location. Minutes of board of directors meetings, fiscal records, and narrative records pertaining to activities performed will

be retained for audit purposes for a period of at least three (3) years following the submission of the final expenditure report for this Agreement or, if audit findings have not been received at the end of the three (3) years, the records shall be retained until resolution of the audit findings are made.

The Contractor and its subcontractors, if subcontractors are permitted within the scope of this Agreement, will provide and maintain a quality assurance system acceptable to the state covering deliverables and services under this Agreement and will tender to the state only those deliverables that have been inspected and found to conform to this Agreement's requirements. The Contractor will keep records evidencing inspections and their result, and will make these records available to the state during Agreement performance and for three (3) years after final payment. The Contractor shall permit the state to review procedures, practices, processes, and related documents to determine the acceptability of Contractor's quality assurance system or other similar business practices related to performance of the Agreement.

Further, the Contractor agrees to include a similar right of the state to audit records and interview staff in any subcontract related to performance of this Agreement.

The parties agree that in regards to fixed price portions of the contract, the state's access to the Contractor's books, records and documents shall be limited to those necessary to verify the accuracy of the Contractor's invoice. In no event will the state have access to the Contractor's internal cost data as they relate to fixed price portion of the contract.

#### **PAR. 21. CAPITAL ASSETS**

The Contractor agrees that any capital assets purchased on behalf of the Department on a pass-through basis and used on behalf of the Department by the Contractor shall upon payment by the Department, become the property of the Department unless otherwise agreed to by the parties and may be utilized by the Contractor in a reasonable manner. Capital assets are defined as any item having a life expectancy of greater than one (1) year and an initial cost of greater than five thousand dollars (\$5,000) per unit, except greater than five hundred dollars (\$500) per unit for computer equipment.

Upon written request by the Department, the Contractor agrees to execute and deliver to the Department a security interest in such capital assets in the amount of the value of such capital asset (or for a lesser amount as determined by the Department).

#### **PAR. 22. COMPETITIVE BIDS**

With the exception of services or products obtained for use in a leveraged environment, the Contractor agrees competitive bidding will be utilized for all purchases in direct and exclusive support of the Department which are made under this Agreement in excess of five hundred dollars (\$500) or an aggregate of one thousand dollars (\$1,000) for any like items during the time of performance of this Agreement. Evidence of competitive bids must be retained in accordance with PAR. 20. - ACCESSIBILITY AND RETENTION OF RECORDS.

**PAR. 23. SECURITY AND CONFIDENTIALITY**

The Contractor shall take security measures to protect against the improper use, loss, access of and disclosure of any confidential information it may receive or have access to under this Agreement as required by this Agreement, the RFP and proposal, or which becomes available to the Contractor in carrying out this Agreement and the RFP and the proposal, and agrees to comply with the requirements of the Department for safeguarding of client and such aforementioned information. Confidential information includes, but is not limited to: names, dates of birth, home and/or business addresses, social security numbers, protected health information, financial and/or salary information, employment information, statistical, personal, technical and other data and information relating to the State of Rhode Island data, and other such data protected by department laws, regulations and policies ("confidential information"), as well as State and Federal laws and regulations. All such information shall be protected by the Contractor from unauthorized use and disclosure and shall be protected through the observance of the same or more effective procedural requirements as are applicable to the Department.

The Contractor expressly agrees and acknowledges that said confidential information provided to and/or transferred to provider by the Department or to which the Contractor has access to for the performance of this Agreement is the sole property of the Department and shall not be disclosed and/or used or misused and/or provided and/or accessed by any other individual(s), entity(ies) and/or party(ies) without the express written consent of the Department. Further, the Contractor expressly agrees to forthwith return to the Department any and all said data and/or information and/or confidential information and/or database upon the Department's written request and/or cancellation and/or termination of this Agreement.

The Contractor shall not be required under the provisions of this paragraph to keep confidential any data or information, which is or becomes legitimately publicly available, is already rightfully in the Contractor's possession, is independently developed by the Contractor outside the scope of this Agreement, or is rightfully obtained from third parties under no obligation of confidentiality.

The Contractor agrees to abide by all applicable, current and as amended Federal and State laws and regulations governing the confidentiality of information, including to but not limited to the Business Associate requirements of HIPAA ([WWW.HHS.GOV/OCR/HIPAA](http://WWW.HHS.GOV/OCR/HIPAA)), to which it may have access pursuant to the terms of this Agreement. In addition, the Contractor agrees to comply with the Department confidentiality policy recognizing a person's basic right to privacy and confidentiality of personal information. ("confidential records" are the records as defined in section 38-2-3-(d) (1)-(1-19) of the Rhode Island General Laws, entitled "access to public records" and described in "access to Department of Health records.")

In accordance with this Agreement and all Addenda thereto, the Contractor will additionally receive, have access to, or be exposed to certain documents, records, that are confidential, privileged or otherwise protected from disclosure, including, but not limited to: personal information; Personally Identifiable Information (PII), Sensitive Information (SI), and other information (including electronically stored information), records sufficient to identify an applicant for or recipient of government benefits; preliminary draft, notes, impressions, memoranda, working papers-and work product

of state employees; as well as any other records, reports, opinions, information, and statements required to be kept confidential by state or federal law or regulation, or rule of court ("State Confidential Information"). State Confidential Information also includes PII and SI as it pertains to any public assistance recipients as well as retailers within the SNAP Program and Providers within any of the State Public Assistance programs.

Personally Identifiable Information (PII) is defined as any information about an individual maintained by an agency, including, but not limited to, education, financial transactions, medical history, and criminal or employment history and information which can be used to distinguish or trace an individual's identity, such as their name, social security number, date and place of birth, mother's maiden name, biometric records, etc., including any other personal information which is linked or linkable to an individual. (Defined in OMB Memorandum M-06-19, "Reporting Incidents Involving Personally Identifiable Information and Incorporating the Cost for Security in Agency Information Technology Investments").

Sensitive Information (SI) is information that is considered sensitive if the loss of confidentiality, integrity, or availability could be expected to have a serious, severe or catastrophic adverse effect on organizational operations, organizational assets, or individuals. Further, the loss of sensitive information confidentiality, integrity, or availability might: (i) cause a significant or severe degradation in mission capability to an extent and duration that the organization is unable to perform its primary functions; (ii) result in significant or major damage to organizational assets; (iii) result in significant or major financial loss; or (iv) result in significant, severe or catastrophic harm to individuals that may involve loss of life or serious life threatening injuries. (Defined in HHS Memorandum ISP-2007-005, "Departmental Standard for the Definition of Sensitive Information").

The Contractor agrees to adhere to any and all applicable State and Federal statutes and regulations relating to confidential health care and substance abuse treatment including but not limited to the Federal Regulation 42 CFR, Part 2; Rhode Island Mental Health Law, R.I. General Laws Chapter 40.1-5-26; Confidentiality of Health Care Communications and Information Act, R.I. General Laws Chapter 5-37.3-1 et seq. and HIPAA 45 CFR 160. The Contractor acknowledges that failure to comply with the provisions of this paragraph will result in the termination of this Agreement.

The Contractor shall notify the Covered Entity within one (1) hour by telephone call plus e-mail, web form or fax upon the discovery of any breach of security of PHI, PII or SI or suspected breach of security of PHI, PII or SI (where the use or disclosure is not provided for and permitted by this Agreement) of which it becomes aware. The Contractor shall, within forty-eight (48) hours, notify the Department's designated security officer of any suspected breach of unauthorized electronic access, disclosure or breach of confidential information or any successful breach of unauthorized electronic access, disclosure or breach of confidential information. A breach is defined pursuant to HIPAA guidelines as well as those found in the "Health Information Technology for Economic and Clinical Health Act" (HITECH). A breach or suspected breach may be an acquisition, access, use or disclosure or suspected acquisition, access, use or disclosure of PHI in violation of HIPAA privacy

rules that compromise PHI security or privacy. Additionally, a breach or suspected breach may be an acquisition, access, use or disclosure or suspected acquisition, access, use or disclosure of PII or SI. The notice of a breach or suspected breach shall contain information available to the Contractor at the time of the notification to aid the Department in examining the matter. More complete and detailed information shall be provided to the Department as it becomes available to the Contractor. Upon notice of a suspected security incident, the Department and Contractor will meet to jointly develop an incident investigation and remediation plan. Depending on the nature and severity of the confirmed breach, the plan may include the use of an independent third-party security firm to perform an objective security audit in accordance with recognized cyber security industry commercially reasonable practices. The parties will consider the scope, severity and impact of the security incident to determine the scope and duration of the third party audit. If the parties cannot agree on either the need for or the scope of such audit, then the matter shall be escalated to senior officials of each organization for resolution. The Contractor will pay the costs of all such audits. Depending on the nature and scope of the security incident, remedies may include, among other things, information to individuals on obtaining credit reports and notification to applicable credit card companies, notification to the local office of the Secret Service, and or affected users and other applicable parties, utilization of a call center and the offering of credit monitoring services on a selected basis.

Notwithstanding any other requirement set out in this Agreement, the Contractor acknowledges and agrees that the HITECH Act and its implementing regulations impose new requirements with respect to privacy, security and breach notification and contemplates that such requirements shall be implemented by regulations to be adopted by the U.S. Department of Health and Human Services. The HITECH requirements, regulations and provisions are hereby incorporated by reference into this Agreement as if set forth in this Agreement in their entirety. Notwithstanding anything to the contrary or any provision that may be more restrictive within this Agreement, all requirements and provisions of HITECH, and its implementing regulations currently in effect and promulgated and/or implemented after the date of this Agreement, are automatically effective and incorporated herein. Where this Agreement requires stricter guidelines, the stricter guidelines must be adhered to.

Failure to abide by the Department's confidentiality policy or the required signed **Business Associate Agreement (BAA)** will result in termination remedies, including but not limited to, termination of this Agreement. A **Business Associate Agreement (BAA)** shall be signed by the Contractor, simultaneously or as soon thereafter as possible, from the signing of this Agreement, as required by the Department.

#### PAR. 24. AUDIT

In the case wherein the amount identified in PAR. 6. - BUDGET is at least twenty-five thousand dollars (\$25,000) in any year, the Contractor shall prepare an annual financial statement of the Contractor or the Contractor's parent, where applicable, within nine (9) months of the end of the Contractor's fiscal year. The financial statements must provide full and frank disclosures of all assets, liabilities, changes in the

fund balances, all revenue, and all expenditures. Upon written or oral request by the Department, the Contractor shall provide the Department a copy of the above described financial statement(s) within ten (10) days of the Department's request. If additional financial documentation is required by the federal funding source, these additional financial requirements must be met in addition to the preparation of the above financial statements.

In the case wherein the amount identified in **PAR. 6. - BUDGET** is at least five hundred thousand federal dollars (\$500,000) in any fiscal year, the audit must be performed in accordance with OMB circular A-133, or as updated, and with "Government Auditing Standards" as published by the Comptroller General of the United States. The audit must address areas of compliance and internal controls as outlined in the above-mentioned circular. If a management letter is also issued as part of the audit, the management letter must be submitted as well.

Additionally, if the Contractor has agreements with the Department which in aggregate are at least five hundred thousand federal dollars (\$500,000) in any fiscal year, the audit must be performed in accordance with federal requirements as outlined above.

Should the Contractor expend less than five hundred thousand federal dollars (\$500,000) in a fiscal year and be, therefore, exempt from having OMB circular A-133 audit performed, the Contractor may not charge the cost of such an audit to a federal award.

The Contractor agrees that the state or its designated representative will be given access to any part of the system which is delivered under this Agreement to inventory and/or inspect the system.

The Contractor expressly agrees that any overpayment identified through an audit must be repaid to the Department within a period of six (6) months from the issuance of the audit.

#### **PAR. 25. SEVERABILITY**

If any provision of this Agreement is held invalid, the remainder of this Agreement shall not be affected thereby if such remainder would then continue to conform to the terms and requirements of applicable law.

#### **PAR. 26. ON-SITE INSPECTION**

The Contractor agrees to permit on-site monitoring, evaluation and inspection of all activities related to the Agreement by officials of the Department, its designee, and where appropriate, the Federal government.

#### **PAR. 27. DRUG-FREE WORKPLACE POLICY**

The Contractor agrees to comply with the provisions of the Governor's Executive Order 91-14, the State's Drug Free Workplace Policy, and the Federal Omnibus Drug Abuse Act of 1988. **-VIII - DRUG-FREE WORKPLACE POLICY CONTRACTOR CERTIFICATE OF COMPLIANCE.**

Furthermore, the Contractor agrees to submit to the Department any report or forms which may from time-to-time be required to determine the Contractor's compliance with this policy.

The Contractor acknowledges that a violation of the Drug-Free Workplace Policy may, at the Department's option, result in termination of this Agreement.

**PAR. 28. PRO-CHILDREN ACT OF 1994 (ACT)**

As a condition of contracting with the State of Rhode Island, the Contractor hereby agrees to abide by **ADDENDUM X - CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE**, and in accordance has executed **ADDENDUM X - CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE**.

**PAR. 29. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS**

The Contractor agrees to abide by **ADDENDUM XI - INSTRUCTIONS FOR CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS**, and in accordance has executed the required certification included in **ADDENDUM XII - CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS**.

This Agreement shall take effect upon the issuance of a Purchase Order by the State of Rhode Island's Chief Purchasing Officer or his/her designee.

**PAR. 31. OWNERSHIP**

The following additional paragraphs are added to the Rhode Island Department of Administration, Division of Purchases, Purchasing Rules, Regulations, and General Conditions of Purchasing.

PROPRIETARY SOFTWARE. Each party will retain all rights in any software, ideas, concepts, know-how, development tools, techniques or any other proprietary material or information that it owned or developed prior to the date of this Agreement, or acquired or developed after the date of this Agreement without reference to or use of the intellectual property of the other party. DEVELOPED SOFTWARE. All software that is developed by the Contractor and delivered by the Contractor to the Department under this Agreement, and paid for by the Department ("Developed Software") is and shall remain the property of the Department. For a period of ninety (90) days following acceptance of any developed

software in accordance with the approval procedures adopted by the parties, the Contractor warrants that each item of developed software will conform in all material respects to the written technical specifications agreed to by the parties in accordance with the software development methodologies adopted by the parties and set forth in the procedures manual. As soon as reasonably practicable after discovery by State or Contractor of a failure of the Developed Software to so conform (a "non-conformance"), State or Contractor, as applicable, will deliver to the other a statement and supporting documentation describing in reasonable detail the alleged nonconformance. If Contractor confirms that there is a non-conformance, then Contractor will use commercially reasonable efforts to correct such non-conformance. The methods and techniques for correcting non-conformances will be at the sole discretion of the Department. The foregoing warranty will not extend to any non-conformances caused (i) by any change or modification to software without Contractor's prior written consent; or (ii) by state operating software otherwise than in accordance with the applicable documentation, for the purpose for which it was designed, or on hardware not recommended, supplied or approved in writing by Contractor. Furthermore, if, after undertaking commercially reasonable efforts to remedy a breach by Contractor of the foregoing warranty, Contractor, in the exercise of its reasonable business judgment, determines that any repair, adjustment, modification or replacement is not feasible, or in the event that the developed software subsequent to all repairs, adjustments, modifications and replacements continues to fail to meet the foregoing warranty, the Department will return the developed software to Contractor, and Contractor will credit to the State, in a manner and on a schedule agreed to by the parties and as the Department's sole and exclusive remedy for such failure, an amount equal to the charges actually paid by the Department to the Contractor for the developed software that has failed to meet the foregoing warranty. Upon written request of the Department, the Contractor will use commercially reasonable efforts to correct an alleged non-conformance for which Contractor is not otherwise responsible hereunder because it is caused or contributed to by one of the factors listed above and, to the extent that such correction cannot be performed within the scope of the Contractor services, such correction will be paid for by the Department at the Contractor's then current commercial billing rates for the technical and programming personnel and other materials utilized by the Contractor. Notwithstanding anything to the contrary in this Agreement, the Contractor will continue to own, and will be free to use, the development tools and the residual technology, so long as such use does not breach Contractor's obligations of confidentiality set forth herein

**OTHER.** Notwithstanding anything to the contrary in this Agreement, the Contractor (i) will retain all right, title and interest in and to all know-how, intellectual property, methodologies, processes, technologies, algorithms, software or development tools used in performing the services hereunder which are based on trade secrets or

Upon receipt of such notice, all obligations under this Agreement shall be immediately suspended

#### **PAR. 33. INDEMNIFICATION**

If the Department's Project Officer and the Contractor's Project Officer are unable to resolve the dispute, either party may request that the dispute be escalated for resolution to the Director of the Department or his designee, the Contractor's President or his designee and a mutually agreed third party shall attempt to resolve the issue.

If the issue is not resolved, the parties shall proceed pursuant to R.I. General Laws § 37-2-46.

**PAR. 36. WAIVER AND ESTOPPEL**

Nothing in this Agreement shall be considered waived by any party, unless the party claiming the waiver receives the waiver in writing. No breach of this Agreement is considered to be waived unless the non-breaching party waives it in writing. A waiver of one provision shall not constitute a waiver of any other. A failure of any party to enforce at any time any provisions(s) of this contract, or to exercise any option which is herein provided, shall in no way be construed as a waiver of such provision of this contract. No consent, or excuse by either party, express or implied, shall constitute a subsequent consent, waiver or excuse.

Expenditures exceeding budget line-item categories by ten percent (10%) shall not be authorized unless prior written approval is first obtained pursuant to **PAR. 10. - MODIFICATION OF AGREEMENT**, subject to the maximum amount of this Agreement as stated above.

**PAR. 7. METHOD OF PAYMENT AND REPORTS**

The Department will make payments to the Contractor in accordance with provisions of **ADDENDUM III - PAYMENTS AND REPORTS SCHEDULE** attached hereto and incorporated by reference herein. The Department acknowledges and agrees that any increase in expenses due to delays by the Department which extends the time of performance shall be subject to reimbursement of the costs associated with such delays. The Contractor will complete and forward narrative and fiscal reports as per **ADDENDUM III - PAYMENTS AND REPORTS SCHEDULE**.

**PAR. 8. TERMINATION AND/OR DEFAULT OF AGREEMENT**

This Agreement shall be subject to termination under any of the following conditions:

- a) Mutual Agreement  
The contracting parties mutually agree in writing to termination.
- b) Default by Contractor  
The Department may, by not less than thirty (30) days prior written notice to the Contractor, terminate the Contractor's right to proceed as to the Agreement if the Contractor:
  1. Materially fails to perform the services within the time specified or any extension thereof; or
  2. So fails to make progress as to materially endanger performance of the Agreement in accordance with its terms; or
  3. Materially breaches any provision of this Agreement. Termination, at the option of the Department shall be effective not less than thirty (30) days

after receipt of such notice, unless the Contractor shall have corrected such failure(s) thirty (30) days after the receipt by the Contractor of such written notice; any failure which, in the exercise of due diligence, cannot be cured within such thirty (30) day period shall not be deemed a default so long as the Contractor shall within such period commence and thereafter continue diligently to cure such failure.

c) Termination in the Interest of the Department

The Department may terminate this agreement at any time by giving written notice to the Contractor of such termination and specifying the effective date thereof, not less than thirty (30) days prior to the effective date of such termination. In such event, all finished or unfinished documents and other materials shall, at the option of the department, become its property. If the agreement is terminated by the department as provided herein, the Contractor will be paid an amount which bears the same rate to the total compensation as the services actually performed bear to the total services of the Contractor covered by this Agreement, less payment of compensation previously made.

d) Availability of Funds

It is understood and agreed by the parties hereto that all obligations of the Department, including the continuance of payments hereunder, are contingent upon the availability and continued appropriation of State and Federal funds, and in no event shall the Department be liable for any payments hereunder in excess of such available and appropriated funds. In the event that the amount of any available or appropriated funds provided by the State or Federal sources for the purchase of services hereunder shall be reduced, terminated or shall not be continued at an aggregate level sufficient to allow for the purchase of the specified amount of services to be purchased hereunder for any reason whatsoever, the Department shall notify the Contractor of such reduction of funds available and the Department shall be entitled to reduce its commitment hereunder as it deems necessary, but shall be obligated for payments due to the Contractor up to the time of such notice. None of the provisions of this paragraph shall entitle the Department to compensation for anticipated profits for unperformed work.

**PAR. 9. RESPONSIBILITIES UPON TERMINATION AND/OR DEFAULT OF AGREEMENT**

Upon delivery to the Contractor of a notice of termination, specifying the nature of the termination, the extent to which performance of work under this contract is terminated, and the date upon which such termination becomes effective, the Contractor shall:

1. Stop work under this contract on the date and to the extent specified in the notice of termination.
2. Take such action as may be necessary, or as the Department's project manager may reasonably direct, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which the Department has or may acquire an interest.
3. Terminate all orders to the extent that they relate to the performance of work terminated by the notice of termination.

4. Subject to the provisions of this paragraph, assign to the Department in the manner and to the extent directed by the Department's project officer all of the rights, title, and interest of the Contractor under the orders so terminated, in which case the Department shall have the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders, however, notwithstanding this provision, the Contractor will not be obligated to assign any such rights, title or interest in the absence of payment therefore by the Department.
5. With the approval or ratification of the Department's project manager, initiate settlement of all outstanding liabilities and all claims, arising out of such termination of orders, the cost of which would be reimbursable in whole or in part, in accordance with the provisions of this contract. Prior to a final settlement of said outstanding liabilities and claims arising out of such termination, final written approval of the Department's project manager must be obtained. Final approval by the Department shall not be unreasonably withheld.
6. Subject to the provisions of this paragraph, transfer title, or if the Contractor does not have title, then transfer their rights to the Department (to the extent that title has not already been transferred) and deliver in the manner, at reasonable times, and to the extent reasonably directed by the Department's project manager all files, processing systems, data manuals, or other documentation, in any form, that relate to all the work completed or in progress prior to the notice of termination.
7. Complete the performance of such part of the work as shall not have been terminated by the notice of termination.

The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the amount of any item of reimbursable price under this clause.

8. The Contractor shall be entitled to reasonable account shut down expenses associated with such termination including the penalties associated with early termination of lease, software, hardware, and any other unamortized or incremental expenses accrued but not charged, excluding anticipated profits which shall not be reimbursed. The Contractor shall submit all identified shut down expenses associated with such termination incurred before and prior to the termination date.
9. The Contractor acknowledges and agrees the services and/or deliverables provided under this Agreement are very important to the Department and that upon expiration or termination of the Agreement, must be continued without interruption whether by the State, the Department, governmental agency or another private entity ("successor entity"). Prior to the end of the Termination and up to sixty (60) days thereafter, the Contractor agrees to make an orderly transition of contract and/or deliverables hereunder and to perform any and all tasks in good faith that are necessary to preserve the integrity of the work performed by the Contractor on behalf of the Department. Upon termination or expiration of the Agreement, the Contractor, shall, if requested by the Department at least thirty (30) days prior to such termination or expiration, provide reasonable training for the successor entity and/or continued performance of services. For providing such training or continued performance after the Term of

the Agreement, the Department shall pay the Contractor at mutually agreed rates for personnel used in providing such training and/or services unless services delivered are already defined herein and rates established then such rates shall apply for such period. Should any missing data, materials, documents, etc., be discovered after expiration or termination, a grace period of one hundred and twenty (120) days shall be in effect during which the data, materials, documents, etc., is to be provided at a predetermined cost or at no additional cost if the Contractor caused the loss. Lost data shall be provided to the Department in form acceptable to the Department.

If a stop work order issued under this clause is canceled or the period of the stop work order or any extension thereof expires, the Contractor shall resume work. The State shall make an equitable adjustment in the delivery schedule, the Agreement price, or both, and the agreement shall be modified, in writing, accordingly, if:

- a) The stop work order results in an increase in the time required for, or in the Contractor's cost properly allocable to the performance of any part of this agreement; and
- b) The Contractor asserts its right to an equitable adjustment within ninety (90) days after the end of the period of work stoppage; provided, that if the state decides the facts justify the action, the state may receive and act upon a proposal submitted at any time before final payment under this Agreement.

The State shall not be liable to the Contractor for loss of profits because of a stop work order issued under this clause, however, the Contractor shall have the right to recover costs associated with maintaining the personnel, leases and equipment during the period of time the stop work order was in effect that cannot otherwise be reasonably utilized by the Contractor during the stop work period.

If the agreement is terminated for default, following a reasonable notice and cure period not to exceed thirty (30) days unless agreed to by both parties, the Department may withhold payment of any amount in excess of fair compensation for the work actually completed by the Contractor prior to termination of this Agreement and will be entitled to pursue all of its other available legal remedies against the Contractor. Notwithstanding the above, the Contractor shall not be relieved of liability to the Department for damages sustained by virtue of any breach of this Agreement by the Contractor.

The Contractor's liability to the Department for any damages arising out of or related to this Agreement, regardless of the form of action that imposes liability, whether in contract, equity, negligence, intended conduct, tort or otherwise, will be limited to and will not exceed, in the aggregate for all claims, actions and causes of action of every kind and nature, the total fees paid by the Department to the Contractor under this Agreement. The exception to this limitation of liability is with regard to any direct damages incurred by the Department due to the intentional tortious actions of the Contractor in the performance or nonperformance of its obligations under this Agreement. Neither party shall be liable for any amounts for loss of income, profit or savings or incidental, consequential, indirect, exemplary, punitive, or special damages of any party, including third parties arising out of or related to this Agreement; provided, however, that the foregoing shall not be deemed to limit in any way the provisions of **ADDENDUM XIII - LIQUIDATED DAMAGES** of this Agreement.

The imposition of liquidated damages shall not limit the Department's rights to pursue any other non-monetary remedies available to it.

The Department may, by written notice of default to the Contractor, provide that the Contractor may cure a failure or breach of this contract within a period of thirty (30) days (or such longer period as the Department's agreement administrator or project manager may authorize in writing), said period to commence upon receipt of the notice of default specifying such failure or breach. The Department's exercise of this provision allowing the Contractor time to cure a failure or breach of this Agreement does not constitute a waiver of the Department's right to terminate this Agreement, without providing a cure period, for any other failure or breach of this Agreement.

In the event the Contractor has failed to perform any substantial obligation under this Agreement, or has otherwise committed a breach of this Agreement, the Department may withhold all monies due and payable to the Contractor directly related to the breach, without penalty, until such failure is cured or otherwise adjudicated.

#### Assurances before breach

a) If documentation or any other deliverables due under this contract are not in accordance with the contract requirements as reasonably determined by the project manager, upon the Department's request, the Contractor, to the extent commercially reasonable, will deliver additional the Contractor resources to the project in order to complete the deliverable as required by the agreement as reasonably determined by the Department and to demonstrate that other project schedules will not be affected. Upon written notice by the Department's project manager of the Department's concerns regarding the quality or timeliness of an upcoming deliverable, the Contractor shall, within five (5) business days of receipt of said notice, submit a corrective action plan documenting the Contractor's approach to completing the deliverable to the satisfaction of the Department's project officer without affecting other project schedules. The Department's project manager, within five (5) business days of receipt of the corrective action plan, shall approve the plan, reject the plan, or return the plan to the Contractor with specific instructions as to how the plan can be modified to merit approval and a specific time period in which the revised plan must be resubmitted.

Nothing in the language contained in "limitation of liability" article, "Contractor's liability for injury to person's or damage to property" article and "indemnification" article shall be construed to waive or limit the state or federal sovereign immunity or any other immunity from suit provided by law including, but not limited to Rhode Island General Laws, Title 9 Chapter 31, "Governmental Tort Liability."

#### Department options at termination

In the event the Department terminates this contract pursuant to this paragraph, the Department may at its option:

a) Retain all or a portion of such hardware, equipment, software, and documentation as has been provided, obtaining clear title or rights to the same, and procure upon such terms and in such manner as the Department's project manager may deem appropriate, hardware, equipment, software, documentation, or services as are necessary to complete the project; or

b) Notwithstanding the above, except as otherwise agreed, nothing herein shall limit the right of the Department to pursue any other legal remedies against the Contractor.

In order to take into account any changes in funding levels because of executive or legislative actions or because of any fiscal limitations not presently anticipated, the Department may reduce or eliminate the amount of the contract as a whole with the scope of services being reduced accordingly, or subject to agreement by the parties concerning the scope and pricing, reduce or eliminate any line item(s). Notwithstanding the terms, conditions and/or requirements set out in Paragraphs 7 and 8, the Contractor shall not be relieved of liability to the Department for damages sustained by the Department by virtue of any breach of the Agreement by the Contractor, and the Department may withhold payment to the Contractor for the purpose of setoff until such time as the exact amount of damages due the Department from the Contractor is determined.

#### PAR. 10. MODIFICATION OF AGREEMENT

The Department may permit changes in the scope of services, time of performance, or approved budget of the Contractor to be performed hereunder. Such changes, which are mutually agreed upon by the department and the Contractor, must be in writing and shall be made a part of this agreement by numerically consecutive amendment excluding "Special Projects", if applicable, and are incorporated by reference into this Agreement.

Special Projects are defined as additional services available to the department on a time and materials basis with the amounts not to exceed the amounts referenced on the Contractor's RFP cost proposal or as negotiated by project or activity. The change order will specify the scope of the change and the expected completion date. Any change order shall be subject to the same terms and conditions of this Agreement unless otherwise specified in the change order and agreed upon by the parties. The parties will negotiate in good faith and in a timely manner all aspects of the proposed change order.

#### PAR. 11. SUBCONTRACTS

It is expressly agreed that the Contractor shall not enter into any subcontract(s) nor delegate any responsibilities to perform the services listed in this Agreement without the advanced, written approval of the Department. If in **ADDENDUM XVI – BID PROPOSAL**, the Bid Proposal permits Subcontracting, the Contractor must provide the name and the extent of services provided by the Subcontractor in the **BUDGET** paragraph 6, and more fully explained in **ADDENDUM II** of this Agreement, and as further agreed to by the Department and the Contractor in **ADDENDUM IX – SUBCONTRACTOR COMPLIANCE**, which is incorporated by reference herein, and which outlines the expectations and requirements of subcontracted vendors to this Agreement.

If the Contractor subsequently needs to enlist the services of a Subcontractor, the Contractor shall obtain prior written approval of the Department. Approval of the Department for the Contractor to enter into subcontracts to perform the services or obligations of the Contractor pursuant to this Agreement shall not be unreasonably withheld. Nothing in this Agreement or in a subcontract or sub-agreement between

the Contractor and subcontractors shall create any contractual relationship between the subcontractor and the Department. Approval by the Department of the Contractor's request to subcontract shall not relieve the Contractor of its responsibilities under this contract and the Contractor shall therefore remain responsible and liable to the Department for any conduct, negligence, acts and omissions, whether intentional or unintentional, by any subcontractor

The positions named by the Contractor and detailed in **ADDENDUM XVII – CORE STAFF POSITIONS**, which is incorporated by reference herein, will be considered core project staff positions for this project. The Contractor will not alter the core project team or use an independent contractor, company or subcontractor to meet required deliverables without the prior written consent of the Department's project officer or other appointed designee(s) for which consent shall not be unreasonably withheld.

Failure to comply with the provisions of this Paragraph could result in denial of reimbursement for such non-approved sub-contracts.

**PAR. 12. CONTRACTOR'S LIABILITY/INDEMNIFICATION**

The Contractor shall indemnify and hold the State of Rhode Island, its departments, agencies, branches and its or their officers, directors, agents or employees (together the "Indemnitees" and their subcontractors) harmless against claims, demands, suits for judgments, losses or reasonable expenses or costs of any nature whatsoever (including actual reasonable attorney's fees) to the extent arising in whole or part from the Contractor's willful misconduct, negligence, or omission in provision of services or breach of this Agreement including, but not limited to, injuries of any kind which the staff of the Contractor or its subcontractor may suffer directly or may cause to be suffered by any staff person or persons in the performance of this Agreement, unless caused by the willful misconduct or gross negligence of the Indemnitees.

Changes to any of the requirements contained herein shall constitute a change and be handled in accordance with **PAR. 10. - MODIFICATION OF AGREEMENT** above.

Failure to comply with this Paragraph may be the basis for cancellation of this Agreement.

#### **PAR. 14. ASSIGNABILITY**

The Contractor shall not assign any interest in this Agreement (whether by

Notice of any such assignment or transfer shall be furnished promptly to the Department.

#### PAR. 15. COPYRIGHTS

Any and all data, technical information, information systems, materials gathered, originated, developed, prepared, modified, used or obtained by the Contractor in performance of the Agreement used to create and/or maintain work performed by the Contractor, including but not limited to, all hardware, software computer programs, data files, application programs, intellectual property, source code, documentation and manuals, regardless of state of completion shall be deemed to be owned and remain owned by the State ("State Property"), and the State has the right to (1) reproduce, publish, disclose or otherwise use and to authorize others to use the State Property for State or federal government purposes, and (2) receive delivery of such State Property upon 30 days notice by the State throughout the term of the contract and including 120 days thereafter. To be clear with respect to State Property, the work shall be considered "work for hire," i.e., the State, not the selected Contractor or any subcontractor, shall have full and complete ownership of all State Property. The selected Contractor and any subcontractor hereby convey, assign and transfer to State any and all of its or their right, title and interest in State Property, if any, including but not limited to trademarks and copyrights. The State hereby grants to the federal government, and the federal government reserves, a royalty-free, nonexclusive and irrevocable license to reproduce, publish, disclose or otherwise use and to authorize others to use for federal government purposes such software, modifications and documentation designed, developed or installed with federal financial participation.

The Contractor agrees that no findings, listing, or information derived from information obtained through performance, as described in the Scope of Work in Addendum I with or without identifiers, may be released or publicly disclosed in any form for any purpose if such findings, listing, or information contain any combination of data elements that might allow an individual to determine a beneficiary's identification without first obtaining written authorization from the Department's project officer. Examples of such data elements include, but are not limited to geographic indicators, age, sex, diagnosis, procedure, date of birth, or admission/discharge date(s). The Contractor agrees further that the Department shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from the Department's files identify or would, with reasonable effort, permit one to identify an individual, or to deduce the identifying of an individual to a reasonable degree of certainty. The Contractor agrees that the conditions set forth herein apply to any materials presented or submitted review and/or publication that contain individual identifying elements in the information obtained, as stated above, unless such information is presented in the aggregate. Under no circumstance, shall the Contractor publicly disclose or present or submit any materials for review and/or publication that contains an individual's social security number, in part or in whole. The Contractor is hereby notified that all initial data received from DHS is considered confidential by the Department. For further

requirements regarding confidentiality of information please refer to Paragraph 26 of this Agreement.

With respect to claims arising from computer hardware or software manufactured by a third party and sold by the Contractor as a reseller, the Contractor will pass through to the Department such indemnity rights as it receives from such third party ("third party obligation") and will cooperate in enforcing them; provided that if the third party manufacturer fails to honor the third party obligation, the Contractor will provide the Department with indemnity protection equal to that called for by the third party obligation, but in no event greater than that called for in the first sentence of this Paragraph the provisions of the preceding sentence apply only to third party computer hardware or software sold as a distinct unit and accepted by the Department. Unless a third party obligation provides otherwise, the defense and payment obligations set forth in this Paragraph will be conditional upon the following:

1. The Department will notify the Contractor of any such claim in writing and tender the defense thereof within a reasonable time;
2. The Contractor will have sole control of the defense of any action on all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement or violation of any U.S. Intellectual Property Rights by any product or service provided hereunder; and all negotiations for its settlement or compromise; provided that (i) when substantial principles of government or public law are involved, when litigation might create precedent affecting future state operations or liability, or when involvement of the state is otherwise mandated by law, the state may participate in such action at its own expense with respect to attorneys' fees and costs (but not liability); (ii) the state will have the right to approve or disapprove any settlement or compromise, which approval will not unreasonably be withheld or delayed; and
3. The State will reasonably cooperate in the defense and in any related settlement negotiations.

Should the deliverables or software, or the operation thereof, become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement or violation of a U.S. Intellectual Property Rights, the Department shall permit the Contractor at its option and expense either to procure for the Department the right to continue using the deliverables or software, or to replace or modify the same so that they become non-infringing. If none of these options can reasonably be taken, or if the use of such deliverables or software by the Department shall be prevented by injunction, the Contractor agrees to take back such deliverables or software and make every reasonable effort to assist the Department in procuring substitute deliverables or software. If, in the sole opinion of the Department, the return of such infringing deliverables or software makes the retention of other deliverables or software acquired from the Contractor under this Agreement impractical, the Department shall then have the option of terminating such agreements, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such deliverables or software and refund any sums the Department has paid the Contractor less any reasonable amount for use or damage.

The Contractor shall have no liability to the Department under any provision of this clause with respect to any claim of patent, copyright or trade secret infringement that is based upon:

The combination or utilization of deliverables furnished hereunder with equipment or devices not made or furnished by the Contractor; or,

The operation of equipment furnished by the Contractor under the control of any operating software other than, or in addition to, the current version of the Contractor-supplied operating software; or

The modification by the Department of the equipment furnished hereunder or of the software; or

The combination or utilization of software furnished hereunder with non-Contractor supplied software.

The Contractor certifies that it has appropriate systems and controls in place to ensure that Department funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

The Contractor agrees that no findings, listing, or information derived from information obtained through performance, as described in **ADDENDUM I - SCOPE OF WORK**, with or without identifiers, may be released or publicly disclosed in any form for any purpose if such findings, listing, or information contain any combination of data elements that might allow an individual to determine a beneficiary's identification without first obtaining written authorization from the Department's project officer. Examples of such data elements include, but are not limited to geographic indicators, age, sex, diagnosis, procedure, date of birth, or admission/discharge date(s). The Contractor agrees further that the Department shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from the Department's files identify or would, with reasonable effort, permit one to identify an individual, or to deduce the identifying of an individual to a reasonable degree of certainty. The Contractor agrees that the conditions set forth herein apply to any materials presented or submitted review and/or publication that contain individual identifying elements in the information obtained, as stated above, unless such information is presented in the aggregate. Under no circumstance, shall the Contractor publicly disclose or present or submit any materials for review and/or publication that contains an individual's social security number, in part or in whole. The Contractor is hereby notified that all initial data received from the Department is considered confidential by the Department.

#### **PAR. 16. PARTNERSHIP**

It is understood and agreed that nothing herein is intended or should be construed in any manner as creating or establishing the legal relation of partnership between the parties hereto, or as constituting the employees, agents, or representatives of the Contractor included in this Agreement as employees, agents, or representatives of the Department.

**PAR. 17. INTEREST OF CONTRACTOR**

The Contractor covenants that it presently has no pecuniary interest and shall not acquire any such interest, direct or indirect, without first disclosing to the Department in writing and then subsequently obtaining approval, in writing, from the Department, that would conflict in any manner or degree with the performance of services required under this Agreement. The Contractor further covenants that no person having any such interest shall be employed by the Contractor for the performance of any work associated with this Agreement.

**PAR. 18. FEDERAL FUNDING PROVISIONS**

Funds made available to the Contractor under this Agreement are or may be derived from federal funds made available to the Department. The Provisions of Paragraph 5 and Addendum II notwithstanding, the Contractor agrees to make claims for payment under this Agreement in accordance with applicable federal policies. The Contractor agrees that no payments under this Agreement will be claimed for reimbursement under any other Agreement, grant or contract that the Contractor may hold that provides funding from the same State or Federal sources. The Contractor further agrees to be liable for audit exceptions that may arise from examination of claims for payment under this Agreement. The Contractor specifically agrees to abide by all applicable federal requirements for Contractors. States are required to collect information from contractors for awards greater than \$25,000 as described in **ADDENDUM XVIII – FEDERAL SUBAWARD REPORTING.**

**PAR. 19. FUNDING DENIED**

It is understood and agreed that in the event that less than full federal funding or other funding is received by the Department due directly to the failure of the Contractor to comply with the terms of this Agreement, the Contractor is liable to the State of Rhode Island for an amount equal to the amount of the denied funding. Should the Contractor be liable for the amount of the denied funding, then such amount shall be payable upon demand of the Department.

The Contractor agrees that no expenditures claimed for reimbursement under this Agreement will be claimed for reimbursement under any other agreement, grant, or contract that the Contractor may hold which provides funding from state or federal sources. The Contractor further agrees to be liable for audit exceptions that may arise from examination of expenditures: (a) claimed by the Contractor for reimbursement under this Agreement, and/or (b) submitted by the Contractor in meeting any cost participation requirements.

**PAR. 20. ACCESSIBILITY AND RETENTION OF RECORDS**

The Contractor agrees to make accessible and to maintain all fiscal and activity records relating to this Agreement to state and/or federal officials, or their designated representatives, necessary to verify the accuracy of Contractor invoices or compliance with this Agreement. This accessibility requirement shall include the right to review and copy such records. This requirement is also intended to include any auditing, monitoring, and evaluation procedures, including on-site visits, performed individually or jointly, by state or federal officials or their agents necessary to verify the accuracy of Contractor invoices or compliance with the this Agreement. If such

records are maintained out of the state of Rhode Island, such records shall be made accessible by the Contractor at a Rhode Island location. Minutes of board of directors meetings, fiscal records, and narrative records pertaining to activities performed will be retained for audit purposes for a period of at least three (3) years following the submission of the final expenditure report for this Agreement or, if audit findings have not been received at the end of the three (3) years, the records shall be retained until resolution of the audit findings are made.

The Contractor and its subcontractors, if subcontractors are permitted within the scope of this Agreement, will provide and maintain a quality assurance system acceptable to the state covering deliverables and services under this Agreement and will tender to the state only those deliverables that have been inspected and found to conform to this Agreement's requirements. The Contractor will keep records evidencing inspections and their result, and will make these records available to the state during Agreement performance and for three (3) years after final payment. The Contractor shall permit the state to review procedures, practices, processes, and related documents to determine the acceptability of Contractor's quality assurance system or other similar business practices related to performance of the Agreement.

Further, the Contractor agrees to include a similar right of the state to audit records and interview staff in any subcontract related to performance of this Agreement.

The parties agree that in regards to fixed price portions of the contract, the state's access to the Contractor's books, records and documents shall be limited to those necessary to verify the accuracy of the Contractor's invoice. In no event will the state have access to the Contractor's internal cost data as they relate to fixed price portion of the contract.

#### **PAR. 21. CAPITAL ASSETS**

The Contractor agrees that any capital assets purchased on behalf of the Department on a pass-through basis and used on behalf of the Department by the Contractor shall upon payment by the Department, become the property of the Department unless otherwise agreed to by the parties and may be utilized by the Contractor in a reasonable manner. Capital assets are defined as any item having a life expectancy of greater than one (1) year and an initial cost of greater than five thousand dollars (\$5,000) per unit, except greater than five hundred dollars (\$500) per unit for computer equipment.

Upon written request by the Department, the Contractor agrees to execute and deliver to the Department a security interest in such capital assets in the amount of the value of such capital asset (or for a lesser amount as determined by the Department).

#### **PAR. 22. COMPETITIVE BIDS**

With the exception of services or products obtained for use in a leveraged environment, the Contractor agrees competitive bidding will be utilized for all purchases in direct and exclusive support of the Department which are made under this Agreement in excess of five hundred dollars (\$500) or an aggregate of one thousand dollars (\$1,000) for any like items during the time of performance of this Agreement. Evidence of competitive bids must be retained in accordance with **PAR. 20. - ACCESSIBILITY AND RETENTION OF RECORDS.**

## PAR. 23. SECURITY AND CONFIDENTIALITY

The Contractor shall take security measures to protect against the improper use, loss, access of and disclosure of any confidential information it may receive or have access to under this Agreement as required by this Agreement, the RFP and proposal, or which becomes available to the Contractor in carrying out this Agreement and the RFP and the proposal, and agrees to comply with the requirements of the Department for safeguarding of client and such aforementioned information. Confidential information includes, but is not limited to: names, dates of birth, home and/or business addresses, social security numbers, protected health information, financial and/or salary information, employment information, statistical, personal, technical and other data and information relating to the State of Rhode Island data, and other such data protected by department laws, regulations and policies ("confidential information"), as well as State and Federal laws and regulations. All such information shall be protected by the Contractor from unauthorized use and disclosure and shall be protected through the observance of the same or more effective procedural requirements as are applicable to the Department.

The Contractor expressly agrees and acknowledges that said confidential information provided to and/or transferred to provider by the Department or to which the Contractor has access to for the performance of this Agreement is the sole property of the Department and shall not be disclosed and/or used or misused and/or provided and/or accessed by any other individual(s), entity(ies) and/or party(ies) without the express written consent of the Department. Further, the Contractor expressly agrees to forthwith return to the Department any and all said data and/or information and/or confidential information and/or database upon the Department's written request and/or cancellation and/or termination of this Agreement.

The Contractor shall not be required under the provisions of this paragraph to keep confidential any data or information, which is or becomes legitimately publicly available, is already rightfully in the Contractor's possession, is independently developed by the Contractor outside the scope of this Agreement, or is rightfully obtained from third parties under no obligation of confidentiality.

The Contractor agrees to abide by all applicable, current and as amended Federal and State laws and regulations governing the confidentiality of information, including to but not limited to the Business Associate requirements of HIPAA ([WWW.HHS.GOV/OCR/HIPAA](http://WWW.HHS.GOV/OCR/HIPAA)), to which it may have access pursuant to the terms of this Agreement. In addition, the Contractor agrees to comply with the Department confidentiality policy recognizing a person's basic right to privacy and confidentiality of personal information. ("confidential records" are the records as defined in section 38-2-3-(d) (1)-(1-19) of the Rhode Island General Laws, entitled "access to public records" and described in "access to Department of Health records.")

In accordance with this Agreement and all Addenda thereto, the Contractor will additionally receive, have access to, or be exposed to certain documents, records, that are confidential, privileged or otherwise protected from disclosure, including, but not limited to: personal information; Personally Identifiable Information (PII), Sensitive Information (SI), and other information (including electronically stored information), records sufficient to identify an applicant for or recipient of government benefits;

preliminary draft, notes, impressions, memoranda, working papers and work product of state employees; as well as any other records, reports, opinions, information, and statements required to be kept confidential by state or federal law or regulation, or rule of court ("State Confidential Information"). State Confidential Information also includes PII and SI as it pertains to any public assistance recipients as well as retailers within the SNAP Program and Providers within any of the State Public Assistance programs.

Personally Identifiable Information (PII) is defined as any information about an individual maintained by an agency, including, but not limited to, education, financial transactions, medical history, and criminal or employment history and information which can be used to distinguish or trace an individual's identity, such as their name, social security number, date and place of birth, mother's maiden name, biometric records, etc., including any other personal information which is linked or linkable to an individual. (Defined in OMB Memorandum M-06-19, "Reporting Incidents Involving Personally Identifiable Information and Incorporating the Cost for Security in Agency Information Technology Investments").

Sensitive Information (SI) is information that is considered sensitive if the loss of confidentiality, integrity, or availability could be expected to have a serious, severe or catastrophic adverse effect on organizational operations, organizational assets, or individuals. Further, the loss of sensitive information confidentiality, integrity, or availability might: (i) cause a significant or severe degradation in mission capability to an extent and duration that the organization is unable to perform its primary functions; (ii) result in significant or major damage to organizational assets; (iii) result in significant or major financial loss; or (iv) result in significant, severe or catastrophic harm to individuals that may involve loss of life or serious life threatening injuries. (Defined in HHS Memorandum ISP-2007-005, "Departmental Standard for the Definition of Sensitive Information").

The Contractor agrees to adhere to any and all applicable State and Federal statutes and regulations relating to confidential health care and substance abuse treatment including but not limited to the Federal Regulation 42 CFR, Part 2; Rhode Island Mental Health Law, R.I. General Laws Chapter 40.1-5-26; Confidentiality of Health Care Communications and Information Act, R.I. General Laws Chapter 5-37.3-1 *et seq.*, and HIPAA 45 CFR 160. The Contractor acknowledges that failure to comply with the provisions of this paragraph will result in the termination of this Agreement.

The Contractor shall notify the Covered Entity within one (1) hour by telephone call plus e-mail, web form or fax upon the discovery of any breach of security of PHI, PII or SI or suspected breach of security of PHI, PII or SI (where the use or disclosure is not provided for and permitted by this Agreement) of which it becomes aware. The Contractor shall, within forty-eight (48) hours, notify the Department's designated security officer of any suspected breach of unauthorized electronic access, disclosure or breach of confidential information or any successful breach of unauthorized electronic access, disclosure or breach of confidential information. A breach is defined pursuant to HIPAA guidelines as well as those found in the "Health Information Technology for Economic and Clinical Health Act" (HITECH). A breach or suspected breach may be an acquisition, access, use or disclosure or

suspected acquisition, access, use or disclosure of PHI in violation of HIPAA privacy rules that compromise PHI security or privacy. Additionally, a breach or suspected breach may be an acquisition, access, use or disclosure or suspected acquisition, access, use or disclosure of PII or SI. The notice of a breach or suspected breach shall contain information available to the Contractor at the time of the notification to aid the Department in examining the matter. More complete and detailed information shall be provided to the Department as it becomes available to the Contractor. Upon notice of a suspected security incident, the Department and Contractor will meet to jointly develop an incident investigation and remediation plan. Depending on the nature and severity of the confirmed breach, the plan may include the use of an independent third-party security firm to perform an objective security audit in accordance with recognized cyber security industry commercially reasonable practices. The parties will consider the scope, severity and impact of the security incident to determine the scope and duration of the third party audit. If the parties cannot agree on either the need for or the scope of such audit, then the matter shall be escalated to senior officials of each organization for resolution. The Contractor will pay the costs of all such audits. Depending on the nature and scope of the security incident, remedies may include, among other things, information to individuals on obtaining credit reports and notification to applicable credit card companies, notification to the local office of the Secret Service, and or affected users and other applicable parties, utilization of a call center and the offering of credit monitoring services on a selected basis.

Notwithstanding any other requirement set out in this Agreement, the Contractor acknowledges and agrees that the HITECH Act and its implementing regulations impose new requirements with respect to privacy, security and breach notification and contemplates that such requirements shall be implemented by regulations to be adopted by the U.S. Department of Health and Human Services. The HITECH requirements, regulations and provisions are hereby incorporated by reference into this Agreement as if set forth in this Agreement in their entirety. Notwithstanding anything to the contrary or any provision that may be more restrictive within this Agreement, all requirements and provisions of HITECH, and its implementing regulations currently in effect and promulgated and/or implemented after the date of this Agreement, are automatically effective and incorporated herein. Where this Agreement requires stricter guidelines, the stricter guidelines must be adhered to.

Failure to abide by the Department's confidentiality policy or the required signed **Business Associate Agreement (BAA)** will result in termination remedies, including but not limited to, termination of this Agreement. A **Business Associate Agreement (BAA)** shall be signed by the Contractor, simultaneously or as soon thereafter as possible, from the signing of this Agreement, as required by the Department.

If a management letter is also issued as part of the audit, the management letter must be submitted as well.

Additionally, if the Contractor has agreements with the Department which in aggregate are at least five hundred thousand federal dollars (\$500,000) in any fiscal year, the audit must be performed in accordance with federal requirements as outlined above.

Should the Contractor expend less than five hundred thousand federal dollars (\$500,000) in a fiscal year and be, therefore, exempt from having OMB circular A-133 audit performed, the Contractor may not charge the cost of such an audit to a federal award.

The Contractor agrees that the state or its designated representative will be given access to any part of the system which is delivered under this Agreement to inventory and/or inspect the system.

The Contractor expressly agrees that any overpayment identified through an audit must be repaid to the Department within a period of six (6) months from the issuance of the audit.

**PROPRIETARY SOFTWARE.** Each party will retain all rights in any software, ideas, concepts, know-how, development tools, techniques or any other proprietary material or information that it owned or developed prior to the date of this Agreement, or acquired or developed after the date of this Agreement without reference to or use of the intellectual property of the other party. Furthermore, if, after undertaking commercially reasonable efforts to remedy a breach by Contractor of the foregoing warranty, Contractor, in the exercise of its reasonable business judgment, determines that any repair, adjustment, modification or replacement is not feasible, or in the event that the developed software subsequent to all repairs, adjustments, modifications and replacements continues to fail to meet the foregoing warranty, the Department will return the developed software to Contractor, and Contractor will credit to the State, in a manner and on a schedule agreed to by the parties and as the Department's sole and exclusive remedy for such failure, an amount equal to the charges actually paid by the Department to the Contractor for the developed software that has failed to meet the foregoing warranty. Upon written request of the Department, the Contractor will use commercially reasonable efforts to correct an alleged non-conformance for which Contractor is not otherwise responsible hereunder because it is caused or contributed to by one of the factors listed above and, to the extent that such correction cannot be performed within the scope of the Contractor services, such correction will be paid for by the Department at the Contractor's then current commercial billing rates for the technical and programming personnel and other materials utilized by the Contractor. to the Director of the Department or his designee, the Contractor's President or his designee and a mutually agreed third party shall attempt to resolve the issue.

If the issue is not resolved, the parties shall proceed pursuant to R.I. General Laws § 37-2-46.

A failure of any party to enforce at any time any provisions(s) of this contract, or to exercise any option which is herein provided, shall in no way be construed as a waiver of such provision of this contract. No consent, or excuse by either party, express or implied, shall constitute a subsequent consent, waiver or excuse.
