RIBridges Top Issues Impacting Cases

Tuesday November 22nd, 2016 (10:00 AM EDT)

183

Cases without Coverage due to Top Issues

0 P1 Incidents
4 P2 incidents
1550 P3 incidents
67 P4 incidents

Top Issues Impacting Cases

#	Issue Description	# Cases Blocking Coverage	Root cause	Resolution
1	PCPA reports contain incorrect information (RIB-3765)	~	PCPA report needed to confirm/generate parent caretaker payments for ~500 individuals. Some reports have incorrect child counts, premium amount, or do not include dependents and other family members.	Resolved - Multiple root causes with iterative fixes have been completed. In Progress - PCPA report has been sent to state, awaiting confirmation that MU can be rerun on PCPA accounts in production. Targeted to be completely resolved on 11-26-2016.
2	Claim Processing - Unable to post payments, and STO and TOP processes have issues (RIB-6241)	~	An open but not active recoupment record was converted and eligibility was calculating it and deducting the amount from a customer's SNAP benefits incorrectly.	Resolved - Root cause issue corrected and data fix applied
3	Unable to issue RIW benefits for mother and child due to program participation (RIB-5947, RIB-5948)	~30	Minors are exempt from work, minor parents are not.	Resolved - Root cause on this issue has been resolved. In Progress - Secondary issue identified in testing preventing the addition of minor parent; Target Fix Date - 11-23-2016
4	Eligible aliens are failing MAGI Medicaid (RIB-7322)	~100	We are currently researching the root cause for the issue	In Progress - Target Fix Date - 11-26-2016
5	Medicaid accounts incorrectly pended due to incorrect SWICA/DLT Mismatches (RIB-3010)	~18	14 triggers failed since these accounts are flagged as Benefit Mismatch accounts. 4 Accounts failed due to other exceptions. These accounts need eligibility re-run from the front end.	In Progress - Working on re-running eligibility for these accounts Target Fix Date - TBD
6	System Enhancements to ensure GPA Burial cases can be processed when the deceased dated is more than 30 days in the past (RIB-7564)	~35	System eligibility logic for GPA Burial is out of sync with GPA Burial policy.	In Progress - Target Fix Date - 11-26-2016
